EASTERN LAND COMPANY

TO STOP MERGER

No Further Action Expected Until August

BOSTON, May 23.—Present indications are that the next step taken by the federal government in its suit to prevent the merger of the Boston & Maine road with the New York, New Haven & Hartford R. R. system and also to separate the New Haven road from its street railway holdings in Massachusetts, will not be before next August. Exactly what the next move of the government will be has not yet been decided, inasmuch as nothing definite can be settled upon as a line of procedure until after the New Haven road has replied to the various counts of the bill in equity filed in the United States circuit court yesterday by U. S. District Attorney Asa French.

The New York, New Haven & Hartford Co. does not have to enter an appearance in the federal court until the next rule day which comes the first week in July and is allowed 30 days after that time in which to file its answer to the bill in equity. Consequently hearings on the bill filed yesterday cannot begin before August, nor will witnesses be summoned before that time.

Although yesterday's bill prays for a temporary injunction against the New Haven road it is not considered probable that any immediate motion for an injunction will be made. It is pointed out that the recent decision of the Massachusetts supreme court concerning the New Haven's control of Massachusetts trolley lines acts as an injunction on that phase of the case while the so-called Cole bill in the Massachusetts legislature prevents the New Haven road from voting or otherwise enjoying the ownership of its 100,000 shares of Boston & Maine stock until after July 1, thus effectively enjoining immediate action on the proposed merger.

Boston & Maine officials were reticent today concerning the government's suit. President Lucius Tuttle was indisposed at his home and could not be interviewed and in his absence no one in the Boston & Maine offices cared to make any statement.

OFFICIAL DENIAL

OF DIFFERENCES BETWEEN PRESIDENT AND ATTORNEY GENERAL.

WASHINGTON, May 23.—The White House today made public an official denial of a story that serious differences arose yesterday between the president and Attorney General Bonaparte over the question of bringing suit against the New York, New Haven & Hartford road, the story going so far as to say that Mr. Bonaparte had threatened to resign. The White House statement which goes into detail is corroborated by the personal statements of cabinet officers.

The statement made public by direction of the president follows:

"The story is a mere invention. There was no difference, whatever, between the president and the attorney general over the New York, New Haven & Hartford situation. Yesterday morning attention was called from Massachusetts to the fact that the Massachusetts state court had already acted against the trolley lines so far as Massachusetts was concerned and the suggestion was accordingly made that the action should be brought in Washington as the purpose of the suit had already been achieved so far as Massachusetts was concerned. The president put the suggestion before the attorney general and asked him to bring it up at the cabinet meeting which was but then a half hour off. As a precautionary measure the newspapers that had the announcement on the bringing of the suit were asked to hold it up. The matter was then discussed in the cabinet and it was decided that the action of the state court in Massachusetts would make no difference in the course of procedure by the government and the newspapers were at once notified that the announcement of the bringing of the suit would stand. There was no division of opinion in the cabinet or not the slightest discussion of any kind between any of the cabinet officers and the president nor among the officers themselves. The suit in question was determined on some three months ago. The only question discussed yesterday was as to where it should be brought.

SHE HAS FRIENDS

Bail to be Furnished for Miss Wood

NEW YORK, May 23.—That Mae C. Wood, who was committed to the Tombs on a charge of perjury at the close of her suit against United States Senator Platt for divorce, is not without friends was demonstrated today when a representative of the American Surety Co. asked to be allowed to furnish the $5000 bail for her. An assistant district attorney said that as it was after 12 o'clock, Miss Wood could not be bailed out until Monday. The surety company representative left, saying that he would be back on Monday. He refused to say who was behind the move to furnish bail.

The Hornsee has a crew of twenty-four men and one passenger.

There will be a special car leave the square at 7.20 the night of the debate, May 28, 1908, and a large crowd will accompany the debaters and urge them on to victory.

TOMMY BURNS

RECEIVED NO REPLY TO HIS OFFER TO MEET JOHNSON.

LONDON, May 23.—Tommy Burns has had no reply from the cablegram he sent to Jack Curley at Chicago four days ago, accepting an offer to fight "Jack" Johnson, the colored heavyweight in Nevada on Labor day for a purse of $35,000, Burns to have $30,000, win, lose or draw. Burns said today that in view of this silence he has decided to fight the Australian boxer, Lang, at Sydney during the visit of the American fleet. Burns says he will get $20,000 win, lose or draw in Australia and that he will start the end of June.

Lang was defeated by "Jack" Johnson at Melbourne in March of last year.

JAY GOULD WON

Defeated Miles in Three Straight Sets

LONDON, May 22.—The Olympic games court tennis competition came to an end today at Queen's club in a victory for Jay Gould of New York who defeated Eustace Miles, the English player in three straight sets.

This is the third defeat in important matches this year that Mr. Gould has inflicted on Great Britain's best player. Mr. Gould's success of today was decisive. Both players were in fine form but at critical stages Gould seemed always to have something up his sleeve, and while his strokes were not quite so severe as usual his judgment always came in the lead and at one time he seemed to be a sure winner of the first set, the score standing 5—2 in his favor. With a fine rally, however, the American eventually captured the set.

The Englishman again took the lead in the second set, but Mr. Gould repeated the same tactics and ultimately won. In the third set Mr. Miles went to 2—0 before his opponent found himself and took the next game. Mr. Miles captured the next and the score stood 3—1. Mr. Gould won the next three games and the Briton won the eighth, thus making the score 4—4. This was Mr. Miles' last rally for Gould won the next two games and the match.

Crosby of Belfast, Me., loaded with paving stones and blocks, went ashore at Nauset station early today and was so badly damaged that it is believed there is no chance to save her. Captain W. J. Atwood and the crew of six men were all saved. One of the planks of the vessel sprang shortly after grounding and she filled rapidly.

FROM SATURDAY'S LATE EDITION

SUPREME COURT

Renders Decision Affecting Number of Lowell People

The full bench of the supreme court has just handed down a decision, which not only affects directly a number of Lowell people, but also is of interest to lawyers and tax collectors.

The action in which the decision was rendered was brought by the collector of taxes of Tewksbury to recover in a civil suit, a tax apportioned to Gookin Bros., in 1905, on real estate bought of the Atherton Machine company.

The case was brought up in the police court and a decision rendered against the defendants. On appeal to the superior court the same decision was made. The defendants, through their counsel, Messrs. Fisher H. and Gardner W. Pearson, carried the case to the supreme court on exceptions.

After deliberating for several months the court, yesterday, rendered its decision "exceptions sustained." This probably means that no action can be maintained to recover a tax in cases where the tax has been apportioned among the purchasers of real estate, but that the collector must rely on his right to sell the property for non-payment of taxes.

This question has never before been determined in this state, and its effect will be to compel collectors to abandon the bringing of civil action against the owners of apportioned real estate.

ALUMNI PLAY

ATTRACTED ANOTHER LARGE AUDIENCE LAST NIGHT.

The St. Patrick's Academy Alumni presented "Waiting for the Verdict" to another large and appreciative audience last evening in the Academy of Music. The drama was put on especially for the school children of the parish but several adults found it next to impossible to attend the performance of the night before attended the production last evening.

The four part chorus song "Come Where the Lilies Bloom" was encored several times. Masters Rourke, Bolan and Boyce, soloists of the sanctuary choir, were well received.

Tomorrow will be the regular communion day for the Sacred Heart sodality of St. Patrick's church. The boys will assemble in the school hall at 8 o'clock and will march in a body to the church and receive communion at the 8.30 o'clock mass.

HEN THIEVES

ARE CAUSING DUNSTABLE PEOPLE SOME WORRY.

Hen thieves are operating in Dunstable. A. H. Page of that town has notified the police that the night before last some time between 11 and 12 o'clock his hennery was entered and 15 hens and four roosters were stolen. THE BLEACHERY

Will Start on Full Time Monday

It was stated today that the Bleachery would start up on full time Monday. The Bleachery had been running only four days a week until last week when another day was added making it five days a week. Now the good news comes that the bleachery will start on full time.

In conversation with The Sun, by telephone, yesterday, some one at the Hamilton Manufacturing company said that the print works were running fairly full. It is possible that the fellow on our end of the wire may have misunderstood what was being said, but be that as it may the fact remains that the Hamilton Print works are still idle. It is expected that the print works will resume operations on or soon after the first of June.

As has already been stated in The Sun, the Hamilton is changing over from print to imitation gingham and that very fact is responsible for the delay in the resumption of work. The company has sent out great quantities of samples and is waiting to hear from them.

The sale, at auction, of the goods of the Arnold Print works at North Adams a few days ago has stifled the market. The Arnold company had storehouses that were stuffed with cotton goods and they were sold at a sacrifice. Goods worth 18 cents a yard sold for six cents and the goods were gobbled up by New York buyers who were "Johnnies on the spot."

Both were fined $2 each.

SHAM BATTLE

Companies C and G to Defend State Hospital

The state hospital in Tewksbury is being besieged by the enemy today.

The event is a sham battle and it is up to Companies C and G, M. V. M., of this city to save the state hospital.

Companies A and H of Wakefield and Stoneham constitute the attacking party and they arrived in Tewksbury

CAPT. GARDNER W. PEARSON.

over the old Paul Revere route from Boston. It is alleged that there were no telephones in the days of Paul Revere and just for that the minister's mare had to suffer, but there is a telephonic system today and, thanks to that system, the local companies were forewarned of the attack on the state hospital.

The armory in Westford street was a pretty busy spot at the noon hour. The soldiers were there and there was something doing. When the Boston & Northern heard that the state hospital in Tewksbury was to be attacked by the enemy, three cars were despatched in jig time to the armory and the boys of Companies C and G boarded the cars for Tewksbury. This, gentle reader, is what is called modern warfare.

Reports from the state hospital at the time of going to press said that several were wounded but nothing was said of casualties. It was stated in the despatch, however, that the state hospital would be able to care for all of the wounded, the home boys and the invaders.

Capt. Gardner Pearson was in charge of the local companies and Major Sweetser of Neponset directed the attack of the invaders. It was a case of the blue and the gray. C and G represented the blue and the other fellows the gray.

Just as the last form was being sent down we learned that the boys in blue had the enemy on the run and that with the exception of the blowing up of a little house used as a contagious ward the state hospital remained intact.

The centre of defense was a small pond near the golf grounds of the state institution. Company G formed the left wing of the defense, the main body of the command being stationed behind a stone wall.

Company C formed the right flank of the defense. The attacking companies were supposed to detrain at the Livingston road and march across country to the hospital, but they made a mistake and were carried by in their special electrics to the Wamesit crossing.

When they did arrive, however, they made it good and warm for the defence. After putting up a good fight they were made to "skiddoo" and had real bullets been used there wouldn't have been enough of the invaders left to hold an inquest on.

BUILDING BOOM

Has Struck Lowell All Right

Say what you will the building boom in Lowell is going along swimmingly. The applications for permits to build and make alterations as registered at the office of the inspector of buildings at the city hall tells the story.

Mrs. Phoebe Ames will build two dwelling houses in Bachman street and the estimated cost of each house is $1400.

Arthur E. Rhodes will build an auto house in the rear of 528 Westford street.

A. L. Kittredge has been granted a permit to build a two-family house in Boylston street near Rogers street; estimated most, $5000.

A beautiful $500 portion is to be added to the Mazdaznan temple in Columbus avenue. The application for the permit to make this alteration is signed by George W. Hilton and the estimated cost is $500.

TRACKS SETTLED

B. & N. Road Having Lots of Trouble

The settling of the inward bound car tracks in that portion of Bridge street between Merrimack and Canal streets, caused by the excavating for the sewer last fall has caused the Boston & Northern no end of trouble. The rails have been laid and relaid since the sewer was constructed, and it may be next fall before the earth will have settled so that the rails may be properly laid and the street paved.

Inward bound cars passing over the rails careen so that many a passenger has thought that the car would be overturned.

After every rain storm it is necessary to dump load after load of dirt and cinders in order to fill up the holes and prop up the rails.

The police board is in receipt of a petition objecting to the granting of a license to Daniel J. Gannon & Co., at the corner of Moody and Suffolk streets, the saloon formerly occupied by George Kearns. There has been a saloon at that stand for a quarter of a century, and objections have never been made against the granting of a license there before. It is expected that a hearing will be given the petitioner next Tuesday night.

SENATOR PLATT

Decides to Retire to Private Life

ROOSEVELT GOING TO SENATE

As the Successor to Senator Depew

NEW YORK, May 23.—U. S. Senator Platt is quoted in an interview today as saying that he will not be a candidate for re-election to the senate when his present term expires in 1909. He is quoted also as saying that President Roosevelt probably will be a candidate for the seat in the senate now held by Chauncey Depew.

"I am winding up my career," said the senator, "and I cannot tell you with what regret I shall retire to private life, but it is decreed."

"You and Roosevelt will retire together," was suggested.

"I don't know about that," was the reply. "He will come back, not as president, but probably as senator. Not to succeed me. He has picked a man for that place, I think. But he may seek to succeed Depew."

STOCK MARKET

Was Weakest Today Since the Panic

NEW YORK, May 23.—Demoralization accompanied by unrestrained selling of securities caused today's stock market to be the weakest since the panic last fall. The professed motive for most of the selling was the inference drawn from the government suit against the New Haven railroad for violation of the anti-trust law. There has been much speculative buying of stocks on gossip that assurance might be felt of future softening of the rigors of prosecution of the railroad corporations. The effect of the new movement on the speculative mind was dreaded. Moreover, the week's action of the market has demonstrated its top-heavy condition from over-extensions from the long interests, its spread among less powerful operators and the heavy profit-taking already affected by the conductors of the campaign. All semblance of support disappeared from the market today. Union Pacific slumped 6⅛, St. Paul 6, and other prominent stocks from 3 to 5 points. Some feverish rallies showed the eagerness of bears to take profits on the short side, but the closing tone was demoralized.

She is wanted in Chicago for alleged larceny of $2500.

Y. W. C. A. NOTES.

In spite of the showery weather 38 association girls went to Nashua on Thursday night where the program given in Pilgrim Congregational church was thoroughly enjoyed. Miss Emma Hayes of New York, national secretary of the Young Women's Christian association, showed beautiful stereopticon views in the vicinity of Silver Bay and convinced the girls present that attending a summer conference in such a spot is the ideal vacation.

Plans are being made for a church directory to be framed and hung in the hall at the association. Several of the pastors intending to have their church represented have overlooked the matter of sending in the items. It would be convenient for us to have them all at the present time.

All the members of the association and their friends will wish to be the guests of the educational classes on Thursday, May 28, when Miss Kilpatrick will tell us tales of Venice. Please save the date.

Tuesday, May 26, is the date for the closing exhibition of the gymnasium. Careful training is being given the classes, and friends of the girls are anticipating a pretty sight on Tuesday night.

KILLED HIS WIFE

Unborn Baby Also Victim of Angry Father

NEWARK, O., May 25.—Ernst Terwilger Saturday night killed his 18-year-old wife and their unborn child by choking the woman during a quarrel, and last night he was under special guards in the city prison because many infuriated citizens set about for vengeance when the crime became known.

The Terwilgers were married about a year ago, the bride being popular in her set of society on account of her beauty and social career.

Terwilger was jealous of his wife which caused a separation. Recently the pair became reconciled and went to live at the home of Charles Nutter. Saturday morning the Nutters went to call the Terwilgers for breakfast. Getting no response the door was forced and Mrs. Terwilger was found dead on the bed. Her tongue protruding from her blackened face and there were fingermarks on her throat. As Terwilger was gone, a search was begun for him. No sooner had he been arrested than he admitted that he had been out of work for some time and had taken several drinks with some friends Saturday. Returning home in the evening, he said, his wife asked him for money to buy things for the baby. He told her that he had no money for her and old troubles were revived. His temper rose to such a pitch that he threw her over the bed and choked her till she ceased to struggle.

SECRETARY ROOT

TO RECEIVE A DELEGATION FROM LIBERIA.

WASHINGTON, May 25.—Secretary Root has made an appointment to receive on Tuesday a delegation representing the republic of Liberia, which has come from the west coast of Africa to ask counsel and aid in the many troubles which have continuously beset the effort to colonize the freed slaves of America which began the latter part of the eighteenth century.

It is admitted officially that Liberia, from the standpoint of nations, is in practically a helpless and hopeless condition. Her latest tribulation is, in effect, an ultimatum from England to maintain a better government.

Although the United States is virtually responsible for the existence of Liberia, diplomatic history shows that this government has hesitated to stand sponsor for the little republic before the world.

PRESBYTERIAN ASSEMBLY.

KANSAS CITY, May 25.—While commissioners to the general assembly of the Presbyterian church rested from business yesterday various religious and evangelistic meetings were held, the most important being a mass meeting to discuss evangelism among laboring men. This meeting was held at Convention hall. Addresses were made by Rev. Charles Stelzle, and by John B. Lennon, treasurer of the American Federation of Labor.

Mr. Stelzle has mailed a personal invitation to every union labor man in the city and non-union men were also especially invited, and a large audience greeted the speaker.

Mr. Stelzle, who was formerly a union machinist, organized the department of church and labor in the Presbyterian church. This department is enlisting laboring men.

His address was a comprehensive discussion of the relation Christianity to the laboring man and a strong argument that laboring men should be Christians.

PRIEST STABBED

After He Had Celebrated Mass

SALISBURY, Mo., May 25.—In the presence of 500 worshippers Father Joseph F. Lubeley, aged 33 years, pastor of St. Joseph's Catholic church, was stabbed twice with a pocketknife and perhaps fatally injured in church yesterday by Joseph Schuette, a farmer, who is believed to have become suddenly demented. A panic was narrowly averted among the communicants, many of them women.

Immediately after Father Lubeley had finished high mass yesterday, he started to leave the church. At the door Schuette rushed upon the priest from behind, and, stabbing him twice, bore the pastor to the floor. The first blow struck the priest in the temple and the second cut a deep gash in the neck, just missing the jugular vein.

The crazed man was about to stab the priest a third time when Mrs. Barbara Ginter and John Gates, both parishioners, caught his uplifted hand. In the struggle which followed Schuette stabbed Mrs. Ginter in the hand and inflicted a painful cut on Gates' arm. A dozen men then overpowered Schuette, who, struggling and fighting, was taken to jail.

Schuette has been a devout member of St. Joseph's.

TWO MAY DIE

THIRTEEN INJURED IN STREET CAR COLLISION.

OTTAWA, May 25.—Thirteen were injured yesterday in a street car collision two miles from here. Two of the injured may die. Twelve have been taken to the hospital. The two cars came together on a steep grade, where one car was stopping to leave a passenger and the other being unable to stop in time to prevent the collision.

JOHN M. BURKE

WILL NOT BE EXAMINED AS TO HIS SANITY.

NEW YORK, May 25.—The proceedings begun by Almeda E. Winters to have John Masterson Burke, the aged founder of the Winifred Masterson Burke Relief Foundation, declared insane were dismissed by the appellate division of the supreme court, and Justice Hendrick's order appointing a committee to inquire into the mental condition of Mr. Burke was reversed.

Miss Winters is a distant relative of Mr. Burke and one of his fourteen heirs. He paid for her education and took a great deal of interest in her welfare. But of recent years he has become feeble and helpless, and scarcely recognizes those around him. Some years ago he turned his estate, said to be $1,000,000, into a trust fund for the benefit of the Winifred Masterson Burke Relief Foundation, with a provision that he should continue to enjoy the income till his death.

Miss Winters alleged in her petition to Justice Hendrick that Mr. Burke was suffering from senile dementia and no longer capable of attending to his property or affairs. He lives at 18 West Forty-seventh street, with a nurse and housekeeper. Mr. Burke is now 95 years old and was never married.

Justice Scott, writing the appellate division's unanimous opinion, says that nothing is disclosed in the petition of Miss Winters to justify the supreme court "in the exercise of its sound discretion" in appointing a lunacy commission to inquire into Mr. Burke's mental condition.

"There is absolutely nothing to show that he is not well cared for and comfortable," said Justice Scott. "So far as his personal condition and surroundings are concerned there is nothing whatever from which it may be inferred that any change is desirable or that the intervention of a committee is necessary."

Referring to Mr. Burke's action in creating the trust fund Justice Scott says:

"By this means he not only provided for the ultimate establishment of a worthy charity but relieved himself of all care and responsibility with respect to the management of the property, while at the same time he assured himself of a sufficient income for his needs. It [illegible] therefore, to commit [illegible] for his property, and there is no suggestion that his income is wasted or misapplied.

"In our opinion it would not be the [illegible] of a sound discretion to disturb the [illegible] security of this [illegible] [illegible] no necessity is shown for further inquiry into [illegible] mental condition or for the appointment of a committee."

NEW YORK MAN

Chaperon to Anna Gould and Prince

ELLWORTH CHAPMAN IS A CLERK

He Was Selected by a Law Firm

PARIS, May 20.—The most puzzled young man in Paris today is Ellsworth Chapman, known to his friends as "Chappy."

On April 16, when he went to the office of the Fidelity and Casualty Insurance Company in New York, he was asked if he was a good sailor and could leave for Europe on four hours' notice. "Chappy" replied affirmatively, and upon reaching the steamer found that he had been appointed Madame Anna Gould's "chaperon."

In this confidential capacity he has accompanied Madame Gould all the way on her roundabout journey to Paris, a journey that lasted five weeks. "Chappy" had nothing to do until Naples was reached and Prince de Sagan appeared on the scene. Since that time he has faithfully fulfilled his duties of chaperon, going with the middle-aged lovers on excursions in Italy, on moonlight drives and dining with them every night. Another duty that devolved upon him after Prince de Sagan's arrival was to pay all the bills.

"Just pay the prince's bills. I owe him some money," Madame Gould explained.

Wednesday night the official "chaperon" took his charges to dine at the restaurant des Ambassadeurs with Mr. and Mrs. Pratt of New York. Unexpectedly Prince de Sagan insisted on paying for the dinner and produced a thousand-franc note. The chaperon felt this as a slight and cabled the fidelity company for instructions. Friday afternoon he received an answer—"Do as you judge best."

Mr. Chapman decided that it was incompatible with his dignity as chaperon to continue and he will sail for New York. He states, however, that he is greatly puzzled over the proper course to pursue.

Madame Anna and her prince made their first unchaperoned excursion Saturday, going in an automobile to Versailles.

NEW YORK, May 25.—Ellsworth Chapman, the young man who has been "chaperoning" Mme. Gould from the day she left New York, is a bachelor and is between thirty and forty years of age.

He was selected for the unique position by the law firm of Nadal, Carrere & Jones, who are attorneys in this country for Mme. Gould. He was chosen because he could speak Italian, it is said, and, although only a clerk, had been a great traveller. He was and is still an employe of the claims department of the Fidelity and Casualty Company.

FOR PROHIBITION

BILL PRESENTED IN THE LOUISIANA LEGISLATURE.

NEW ORLEANS, May 25.—A bill was introduced in the legislature Saturday providing for prohibition throughout Louisiana, New Orleans included. Another bill introduced provides for prohibition throughout the state except in New Orleans.

Twenty-eight of the fifty-nine parishes of the state are already dry under the local option law. The indications are that a compromise measure suggested by Gov. Sanders will be adopted. This will leave the local option law as it is, but will increase the liquor license to $1000, compel liquor dealers to give bond, provide for suspending licenses and closing saloons for violation of law, prohibit the sale of liquor at groceries and prohibit wholesale liquor dealers and breweries from having any interests in saloons. Twelve hundred saloons have closed in Louisiana in the last two years and the proposed law would close about two-thirds of those now in operation.

There is no longer any doubt of the passage of a law prohibiting racetrack gambling in the state. A bill to that effect has been introduced and has the determined support of Gov. Sanders of nearly all the country members.

SENATOR PLATT

Says That Mae Wood Deserves Punishment

NEW YORK, May 25.—Another chapter in one of the most remarkable legal actions that has been heard in the New York courts in a long time, will probably begin this week, when the charges of perjury against Mae C. Wood, the former newspaper woman and lawyer of Omaha, who sued United States Senator Platt for divorce, will be laid before a grand jury. Unusual public interest has centered in the Wood-Platt case chiefly on account of the prominence of the aged senator, whom Miss Wood made the defendant in her suit for divorce. With the infirmities of age heavy upon him the senator was obliged to go upon the witness stand and to undergo cross-examination by opposing counsel.

Miss Wood's suit involved many sensational charges and it was fortified by documentary evidence until Justice O'Gorman said that it was evidence of forgery and that he believed Miss Wood had committed perjury to sustain her charge. Her case rested mainly upon a certificate which she said was given her on the night of her alleged marriage to the senator in November, 1901, and upon a copy of a letter which she insisted she received from Senator Platt, in which he appeared to acknowledge her as his legal wife. Sen. Platt's denial of the alleged marriage was supported by the affidavits of a woman, who explained the letter of acknowledgment by saying that she obtained the senator's autograph on a blank sheet of paper and gave it to Miss Wood; but it was not until the printer of the blank form of the marriage certificate testified that the form was not printed until three months after the alleged marriage, that Miss Wood's case collapsed and the justice dismissed the suit and ordered the plaintiff committed on charges of forgery and perjury.

Miss Wood was taken to the Tombs prison on Thursday. During her stay there, she has manifested cheerfulness unusual in a person committed under such serious charges and has endeavored to comfort herself by her conclusion, which she expressed at the time of her arrest, that the burden of proof now rests upon those who are prosecuting her and that it will be more difficult to convict her than to overthrow her action for divorce. For several days it appeared that the woman was without friends, but this was disproven on Saturday, when bail to the extent of $5000 was offered by a surety company. This offer could not be accepted owing to the lateness of the hour when the tender was made, but it probably will be repeated today. Rumors that Miss Wood is supported by friends who are possessed of strong resources were revived by the offer of bail, but her counsel declined to disclose their identity, and Miss Wood has made no public mention of such friends, if she has them. Although Senator Platt testified that it cost him $10,000 to get possession of the letters he wrote to Miss Wood, he has since been quoted as saying, "I am sorry for the woman, but she absolutely deserves punishment." Both he and Miss Wood are quoted as denying a rumor that the senator's agents had something to do with the offer of bail for her. But Miss Wood asserts that since her commitment she has been asked whether she would plead guilty to the perjury charge if she were paid for doing so, and that she informed her questioner that she would die in jail first.

Should an indictment be returned against Miss Wood, it is not probable that Senator Platt will be a witness.

SECOND DEFEAT

Lowell High Trimmed at Haverhill, Saturday

Lowell High lost to Haverhill High at Haverhill Saturday by the score of 10 to 5. The whole affair was simply a repetition of the Lawrence contest. Haverhill, aided by a timely batting streak, and by the errors of the Lowell players in the first and third innings, obtained such a lead on the local nine that the latter immediately became convinced that nothing could save the day.

The main trouble with the Lowell aggregation seems to be a head-strong inclination to "go up in the air" at the slightest provocation; to "lose its head" if the opposing team scores a few runs at an early stage of the contest. Saturday, Haverhill's fine start in the first inning seemed to breed dispair in the Lowell camp, the members of the team evidently feeling that it "was all off" for that day, and that not even Crowell himself could aid the Spindle City nine in winning.

Two pitchers were used for Lowell, Mahoney and Thompson. Mahoney stayed in the game for five innings, striking out six men and hitting two men by pitched balls. Thompson fanned four men, and gave the same number their bases on balls. Mahoney was touched for twelve hits in his five innings; Thompson for none.

A total of seven errors was chalked up against the Lowell men, Stevens at third getting three, Parker, centre field, obtaining one, and Thompson at short and Swann in the right out-garden each receiving one apiece.

Mahoney's stick work was effective, the Lowell lad getting two two-baggers from Brickett. McVey also was good for one double.

For Haverhill, Brickett pitched a steady game, although he permitted five men to draw free transportation slips to first. His game was errorless with six strike-outs to his credit.

The stick work of Read and Gillen was the most noticeable. The former lad has been kept from making the Haverhill team all season to date, on account of his inability to hit the ball. Saturday there must have been something the matter with him, for, at bat five times, he made three hits, fouled once and fanned once.

The result of the game Saturday has given Lawrence High a greater lead than ever in the Merrimack Valley league race, and if the Lowell team intends to land the pennant, it behooves the members thereof to keep cool, support their pitcher, and shed their wings for a time.

FIRST INNING.

Lowell went first to bat, and Thompson struck out. Foye walked, and worked Brickett for a free transportation slip, reaching second on the Haverhill catcher's wide throw to that sack. A passed ball permitted Foye to reach third. Donahue also walked. Foye, at this point, was caught napping, and thrown out--pitcher to baseman. Donahue stole second and scored on Parker's safety. Mahoney fanned retiring the side.

Vaughn was the first man up for Haverhill, and he connected safely, reaching second on Mahoney's balk. McFadden hit to Stevens, advancing Vaughn to third, but was out at first. Ryan fanned, Brickett reached bag 1 on Thompson's error. Miller also reached the initial sack, on an error by Stevens, and the bases were full, with two out. All depended on Read, who hit easily, scoring Vaughn. Gillen's safety brought in Miller and Brickett, but Behan popped to McVey, and three were out.

Score--Haverhill 3, Lowell 1.

THIRD INNING.

Haverhill scored three additional runs in the third inning.

Brickett was the first member of the home team to go to bat, and he proceeded to strike out nicely. Foye, the Lowell catcher, failed to hold the third strike, but the Haverhill player was unable to beat the ball to first. Miller also failed to connect, and two were out. Now Read loomed up at the plate, and Read was the man who had brought in the first run for Haverhill, in the first inning. Read hit safely, and stole second, from which bag he scored on Gillen's single. Gillen himself went around on Swann's wide throw to McVey. Behan reached first on Steven's error. McKay hit the ball, scoring Gillen, and advancing Behan to third, who scored on Vaughn's safety. McFadden obtained a hit, but died on base, Ryan retiring the side on a grounder to Mahoney, who threw him out at first.

Score--Haverhill 6, Lowell 1.

FOURTH INNING.

Haverhill and Lowell each scored one run in the fourth. Parker was the first member of the latter team to face the pitcher, and he started the inning well from Lowell's point of view by walking. Mahoney was good for a splendid two bagger, that placed Parker on bag 3, from whence he scored on McKay's error. Stevens sacrificed, and Mahoney reached third. It looked like another tally, but McVey and Dodge both popped high ones that were gathered in easily.

In Haverhill's half of the inning Brickett and Miller both failed to beat the ball to first. Read hit cleanly and stole second. Gillen sent one to Parker who muffed it. At the crack of the bat Read had started for third, and when he saw Parker fumble the ball, he continued on his way home, scoring. Behan failed to connect and the side was out.

Score--Haverhill 7, Lowell 2.

FIFTH INNING.

Lowell did not score in the fifth, but Haverhill crossed the platter thrice. McKay made a pretty hit, and reached second on a passed ball. Vaughn sent a hot one to Stevens, who failed to handle it in time to get his man out. This placed McKay on third. Vaughn stole second. McFadden sacrificed, and McKay reached home. Mahoney hit Ryan with ball, and the Haverhill man took his base, stealing second. Brickett hit for a single, placing Ryan on third, and scoring Vaughn. Brickett stole second, and in the excitement of the moment, Ryan dashed for home in a daring steal, which was declared safe by the umpire. Miller fanned, and Brickett was put out on attempting to steal third.

Score--Haverhill 10, Lowell 2.

NINTH INNING.

Lowell scored three runs in the ninth inning, whereas Haverhill failed to score. Donahue, the first man up hit to Ryan and was out at first; but Parker let the high ones go and, as a result, received his base on balls, stealing second. Mahoney brought Parker across the rubber by his splendid two-base hit, the second of the contest. Stevens hit safely, advancing Mahoney third and stealing second. McVey reached first on a fielder's choice from second, that cut Mahoney off at plate, making two out. An error by Connor permitted Stevens to score and allowed McVey to reach second, from which plate he was brought in by Woodby's error, on which Dodge received his base. Dodge was thrown out on an attempted steal, retiring the side.

BASEBALL NOTES

Griffith's new pitcher Joe Lake is a handy boy with the stick.

It remained for the Washingtons to give the Detroits their first whitewash of the season.

One hit games have been pitched this season by Waddell, White, Raymond, Mathewson, Willis, Brown and Kaiser. Bob Emslie is still leading the league in getting set by four tips. He stopped three with his anatomy in Cincinnati the other day.

With Chase, Niles, Ball and Moriarty lined up, the New York American infield is about the youngest in the country, and in point of natural speed it is the fastest.

Now that Overall's long string of victories has been broken he is getting shredded good and hard. However, he can afford it if he develops a similar winning streak.

This is a great season for numerous pitchers in one game, but the record for one team still belongs to McGraw, who put in six in one game against the Chicagos a season or two ago.

Pat Dougherty used to falter and fumble when he played left field for the New Yorks, but he glides around out there now at American League Park with all the ease of a polished fielder.

Griffith's pitchers are all big men except Doyle. Chesbro, Lake, Newton, Glade, Hegg, Orth and Manning make up a brawny staff. Lake, Manning, Orth, Newton and Hegg are six footers.

When the New York Nationals were in the South there was talk of McGraw putting Merkle on second base. A good many rooters for the team would like to see him try the plan now.

Always somebody is wondering whether Griffith's pitchers can go the route. If they are pitching good ball at present and are in good condition, why not as well as any other pitchers? None of them has heart disease, consumption or softening of the brain.

Since he jumped the Browns, Rube Waddell has received offers of positions aside from baseball. A whiskey firm and a brewer suggested that he go into the saloon business, "for which," says the report naively, "he has talents, it is said, that eminently fit him for the work."

In the matter of "flitless wonders" the Athletics are beginning to engage attention. They beat Boston with three hits to the latter team's seven; beat Washington with three hits to the other side's six, beat Boston with six hits to Boston's nine, and beat Chicago with two hits to the Sox's three.

The hitting in the sixteen inning game between Cornell and Michigan was out of proportion to the scoring. Twenty-five hits were made and only five runs. That's one run for every five hits. The singles must have been well scattered. The left on base record bears that out. It reads: "Cornell, 9; Michigan, 10."

"We received the rawest deal imaginable from Hurst in New York, and neither I nor Donovan should have been suspended. It is impossible for me to stand by and not protest on decisions which every one in the park knows are unfair to us, and they were not close, either. I want to say right now that I propose to protest against such umpiring whenever it is done, and I don't care if Ban Johnson suspends me for the entire season."--Interview with Hugh Jennings.

LAST GAME

PLAYED BY TEXTILE TEAM ON SATURDAY.

The Lowell Textile baseball team played its last game of the season at Worcester academy, Saturday. Lowell was defeated by a close score of 4 to 3. The game was a close one throughout, Worcester winning in the ninth inning by bringing in two runs.

The team has done fairly well this year considering the material there was to pick from. There were few of last year's team back again and the rest were made up of freshmen. Two or three of the games were lost by the team going up in the air for an inning, before they could get steadied down. There is good material nevertheless in the freshmen and next year should bring out a strong winning team. Out of the eight games played Textile won three.

Murray proved himself to be a good man in the box. The infield was faster than usual for the school. Wentz, captain, at first played a good game and managed the team well. Lewis, second; Hardy, third; Gale, short stop; outfield, Holden, lf; Farr, rf; and Gorman, cf; Henry played back stop and was good at getting the ball down to second. Bunce, last year's pitcher, also made his letter. The team has not got together for election of captain for next year, but will do so the first of next week.

A SPECIAL EXHIBIT OF
ZOLIUM TILE ROOFING
On Tuesday, May 26, All Day

Because of the great interest in this remarkable tile roofing, we have arranged with the manufacturers for an elaborate and complete exhibit on above date.

The interesting principle of ZOLIUM, which transforms long, impenetrable sheets of bonded fibre into diamond shaped tiles, will be graphically explained by full sized models.

ZOLIUM is the logical successor of shingles, as it is superior in every way—more durable, more attractive and a splendid fire protection.

Architects, contractors and prospective builders are invited to attend this exhibit.

This is by far the largest net average circulation of any newspaper in Lowell.

An advertisement placed in The Sun is of more value to the advertiser than if it were inserted in all the other newspapers in Lowell and the cost of inserting it in The Sun is about ONE-THIRD the price charged by the other dapers.

OPPORTUNITY FOR FARMERS

IN VIEW OF THE HIGH PRIC E OF BEEF AND OATS IT WOULD SEEM THAT THERE IS A GREAT OPPORTUNITY FOR PEOPLE WHO ARE ENGAGED IN FARMING IN THE VICINITY OF LOWELL AND OTHER NEW ENGLAND CITIES TO MAKE MONEY IN RAISING OATS AND PRODUCING THEIR OWN BEEF. THERE WAS A TIME IN THE PAST WHEN MARKET MEN GOT THEIR BEEF FROM LOCAL SLAUGHTER HOUSES. BUT SUCH A THING IS NOW UNKNOWN. IF FARMERS MADE UP THEIR MINDS TO RAISE CATTLE FOR SLAUGHTER IN THE HOME MARKET, THERE IS NO REASON WHY THEY COULD NOT MAKE MORE PROFIT THAN THEY DO BY DISPOSING OF THE CATTLE OR BY KEEPING THEM FOR DAIRY PURPOSES. WITH BEEF AT TWENTY TO THIRTY CENTS A POUND IT CERTAINLY SHOULD PAY FARMERS TO RAISE FATTED CATTLE TO SUPPLY THE HOME MARKET.

THE TRUST HAS GONE TO SUCH EXTREMES THAT THERE IS A GREAT OPPORTUNITY FOR INDEPENDENT MEAT COMPANIES. IN REGARD TO OATS THERE IS NO CROP MORE EASILY RAISED IN THIS STATE, AND AT THE PRESENT PRICE OF 75 CENTS A BUSHEL, THE PROFITS SHOULD BE LARGE. WHAT IS TRUE OF OATS AND BEEF IS EQUALLY TRUE OF VARIOUS OTHER COMMODITIES THAT HAVE REACHED TOP-NOTCH PRICES AND CAN BE SUCCESSFULLY PRODUCED ON THE FARMS IN NEW ENGLAND.

THIS WOULD SUGGEST A MOVEMENT BACK TO THE FARMS, AND CERTAINLY THERE IS A GREAT OPPORTUNITY TO TURN MUCH OF OUR WASTE LAND INTO PROFITABLE FARMS. ALL THAT IS NEEDED TO ACCOMPLISH THIS OBJECT IS ENTERPRISE AND A LITTLE CAPITAL.

GIVE US A REST

As where there's a will there's a way.

Although it is clouded today."

THERE ARE MANY PEOPLE OF THE OPINION THAT THE BUSINESS DEPRESSION HAS BEEN MANUFACTURED BY CERTAIN FINANCIAL INTERESTS. IF THAT BE SO, IS IT NOT APPARENT THAT THE OTHER FINANCIAL AND INDUSTRIAL INTERESTS SHOULD BE ABLE TO MANUFACTURE A LITTLE PROSPERITY. THEY CAN DO IT BY PUTTING ASIDE ALL CALAMITY HOWLING, ALL PESSIMISM AND GOING AHEAD SO AS TO INSPIRE CONFIDENCE AMONG THE WEAK-KNEED. THERE ARE ALWAYS CROAKERS, ALWAYS QUITTERS, MEN WHO IN BATTLE WOULD MISTAKE SHADOWS FOR DEADLY ENEMIES AND BEAT A HASTY RETREAT. THERE IS NO REASON WHY WE SHOULD HAVE A DEPRESSION IN THIS COUNTRY WHERE ALL THE REQUISITES OF PROSPERITY ABOUND ON EVERY HAND. WHAT IS NEEDED IS COURAGE AND CONFIDENCE TO GO AHEAD. LET EACH DO HIS PART TO IMPROVE BUSINESS BY ENTERPRISE, COURAGE AND CONFIDENCE. THERE IS NO REASON WHY A LITTLE CLOUD ON THE HORIZON SHOULD BE REGARDED AS PROTENTIOUS OF COMING DOOM.

A FOOLISH PARENT

DOWN IN MALDEN THE FATHER OF TWO CHILDREN WAS CALLED TO THE SCHOOL WHICH THEY ATTENDED TO EXPLAIN THE ABSENCE OF THE CHILDREN FOR ABOUT TWO DAYS A WEEK.

IN THE INQUIRY THAT FOLLOWED THE FATHER GOT EXCITED AND IT IS SAID STRUCK THE PRINCIPAL OF THE SCHOOL A BLOW ON THE NOSE. IN THIS CASE THE PRINCIPAL HAPPENED TO BE A MAN, BUT EVEN SO, THE OFFENCE WAS A VERY GRAVE ONE. ANY PARENT WHO WILL NOT FULLY AND CORDIALLY CO-OPERATE WITH THE TEACHER OF HIS CHILDREN IN THE ENDEAVOR TO PROMOTE THEIR ADVANCEMENT IS A FOOL. THE TEACHERS ARE VERY RARE WHO DO NOT TAKE A REAL INTEREST IN THE EDUCATION OF THEIR PUPILS, AND IT IS VERY DISCOURAGING INDEED TO ALL SUCH TEACHERS TO FIND A PARENT SO DENSE AS TO BE UNWILLING TO GIVE HIS HEARTY CO-OPERATION EVEN TO THE EXTENT OF COUNSELING CHASTISEMENT FOR MISDEMEANORS AS DISCIPLINE IS IN ITSELF OF GREAT VALUE TO CHILDREN.

SEEN AND HEARD

Sometimes a woman smiles because she is amused, and sometimes to conceal her anger.

A girl seldom falls in love spontaneously with the young man who first starts out to win the approval of her parents.

All the old, wise, experienced persons in the neighborhood soberly shake their heads when a solemn, serious young man, with a salary of $15 a week, marries a pretty girl with her head full of butterflies.

It may not be flattering, but it is true that the absence of the boss from the office for a week doesn't cause so much inconvenience as the absence for three days of the office boy.

Flying machines are nothing new. Ever read the story of Elijah?

Every now and then read one of the old standard novels, and then for the next month shame your friends by quotations and allusions that will show them how well read you are, and what an extraordinary memory you have.

The phrase, "a good conversationalist," really means one who knows enough to shut up when people are tired of his talking.

If you have got into the social swim, you will find that you need a well filled pocketbook for a life preserver.

What good is a safety razor to the woman who takes pride in being her own chiropodist?

When you receive a wedding invitation, you say first: "Hang the luck! There's another five dollars for a wedding present!" Then you sit down and write cordial congratulations.

Dan Walker was a town character. He had been a follower of the flag in his time and the monthly arrival of his pension money meant a protracted spree. This, in his mind, partially repaid him for sufferings on the field that had left one-half of his body paralyzed. During these orgies he would topple around from saloon to saloon, his useless left leg but poorly sustaining him, while his left hand, useless and limber, wagged in the wind as he floundered along like a winged chicken trying to fly.

On this particular occasion it was past midnight when the town marshal found Dan making night hideous on a side street. Grasping the offender by the coat collar he slammed him up against a lamppost and thundered:

"Dan Walker, you go home! Go home this minute and stay there until you are sober. If you don't I'll run you in! Do you hear?"

"Yes (hic), sir. Yezzzzz, but (hic) how (hic) can I g'heime (hic) when I'm drunk on one side (hic) and par-par-p'ralyzed on (hic) on 'tother?"

"The Nu Spelin Leag of Amurrika has just added 75 more words to the langwage," said the Glasgow Herald. "'Tisis' and 'tung' are two of the worst. Now is the time when one man with a hoe comes to his own, the same being the peripatetic city gardener who goes around looking for jobs fixing up back yards, digging up the flower beds and trimming up the shrubs and setting out the plants and fixing things up generally, for there are still city back yards, in which green things grow, and this particular man with a hoe knows where to find them. He is now making his rounds and getting at least something out of it.

And it might be mentioned that at this time of year the man with a spade and a horse and wagon also gets a slight rakeoff out of the turf he brings in from open lots in outlying districts wherewith to repair city grass plots.

"Many a girl who formerly shut herself up in an air tight booth when telephoning and almost stopped up the cracks in the door for fear somebody would hear what she had to say, has taken to telephoning in the open," said a drug clerk. "The things she says now are probably just as important as the things she used to say, but the girl can't get inside the booth to say them. It is her hat that keeps her out. It won't go through the door. Fortunately we have an unenclosed phone besides the two in booths. If we hadn't that we would lose the biggest part of our telephone trade—the biggest part of the female trade, that is. Down in the next block is a store that has no open telephone. The clerks say hardly a woman customer has used their telephone for weeks. Of course the ladies could take off their hats while telephoning, but it would be so much trouble to put them on again that they prefer walking on a few blocks till they find a phone with plenty of space around it."

Make haste to school, my little child,
Or else you will be late;
Your books are all aseptic now,
And here's your sterile slate.

Your pencil has been boiled an hour—
'Tis germless now, I hope;
And don't forget to wash your desk
With this carbolic soap.

And lest about the schoolroom floor
Some unseen microbes lurk,
Just sprinkle formaline around
Before you set to work.

You'd better put, for safety's sake,
Bichloride in the ink;
And water that has not been boiled
You must not dare to drink.

Of course, when recess comes around,
Some food you'll want to munch,
So in this disinfected box
Is predigested lunch.

And since 'tis said that in a kiss
Bacteria may dwell,
I may not give you, as I'd like,
A mother's fond farewell.

—Life.

EDITORIAL COMMENT

WHY SMALL MEN?

New York World: What is there in American history to suggest that the vice-presidency is a small man's office? Twenty-six men have been elected to it. Eight of these, a fraction less than one-third, have subsequently become president—Adams, Jefferson and Van Buren by election; Tyler, Fillmore, Johnson, Arthur and Roosevelt by the death of their predecessors. Mr. Roosevelt was re-elected after serving the term of his predecessor, making four of the twenty-six so promoted by the public vote. Of the eighteen vice-presidents who have not afterward become president, not more than four or five could have been called small or obscure candidates when named: Geo. Clinton, Calhoun and Breckinridge bulked big in the political history of their times; Jackson, Colfax and Wilson were widely known popular idols; Aaron Burr and Elbridge Gerry are in their very different ways not likely to be forgotten. Geographical considerations will not be ignored in the nomination of vice-presidential candidates this year; they never have been. But no great political party should name for the presiding officer of the senate of the United States, and the possible president, a man who is not distinguished by character, capacity and wide public confidence.

WHO SHALL TEACH OUR BOYS AND GIRLS?

Manchester Mirror: In his address before the congress of mothers at Bloomington, Ill., Francis Blair, state superintendent of public instruction, made a vigorous plea for better teachers and added: "It ought to be more important who shall teach the boy and girl than who shall be congressman—aye, more important than who shall be president of the United States."

OPPORTUNITIES SLIPPING BY.

Commercial Bulletin: For example, Special Agent Clark of the department of commerce and labor, in announcing the results of his investigations in Japan, says:

"The Japanese market for cotton piece goods has not been cultivated by our manufacturers nor by our commission merchants. On most lines no effort has been made. A representative of one of the largest American importing houses told me he had not seen an American cloth salesman for three years, but he could hardly attend to his business because of the swarm of English salesmen continually wanting to show him new samples and quote him latest prices.

PEOPLE OF NOTE

Before becoming president of the United States James Buchanan had had a long and respectable career in the public service as congressman and senator for twenty years, as minister to Russia and to Great Britain, and as secretary of state. He is the only Pennsylvanian that ever sat in the presidential chair.

State Game Warden Pierce and Deputies Ash and Frost of Sault Ste. Marie claim to have unearthed evidence of a wolf bounty bunco game in Chippewa and Luce counties which overshadows any other affair of the kind that has come to light. As charged it is simply the maintaining of a system for curing coyotes' scalps from the far west, where coyotes can be killed as easily as rabbits in this country, and presenting them for the wolf bounties at the offices of the county clerks. It is believed that the plan has been worked for some time, and that the two counties have been defrauded of considerable sums.

Col. George Alfred Miller, a member of the law firm of Carter, Ledyard & Millburn of New York, died Friday at his home in Montclair as a result of a stroke of apoplexy sustained two weeks ago. He was born in New York on August 30, 1832, was graduated from Columbia college and Columbia law school and began the practice of law.

He joined the Twenty-second regiment and rose to the rank of lieutenant-colonel. He served in the strike riots of 1877 and later was transferred to the Twelfth regiment, from which he retired about ten years ago.

He was professor of law in the Metropolitan Law school for several years and left that post for a similar one in New York university. He retired a year ago and the faculty and students gave him a dinner and a loving cup.

He had lived in Montclair for thirty years and was one of the charter members of the Montclair club. He was defeated for congress on the democratic ticket in 1902. He leaves a widow, who was Miss Julia Wainwright of Boston, and two children.

AUTO CLUB MEN

TO HAVE A CONFERENCE WITH THE GOVERNOR.

The question of patrol by the state militia of the motor race course in this city and Tyngsboro, July 4, is to be carried to the governor. The question of course patrol is the only stumbling block that the Lowell Automobile club has stacked up against. The adjutant general has been interviewed relative to the affair and he declined to order the militia on patrol duty. It seems that the adjutant general believed that the proposition was for the benefit of individuals. It was not made plain to him that all of the money over and above the running expenses of the race will be turned over to the city of Lowell and the town of Tyngsboro for permanent improvements in the highways.

Now the matter is to be taken up with the governor and an interview has been arranged for noon on Tuesday.

TWO ALARMS

BUT LITTLE DAMAGE WAS DONE BY FIRE.

There was a telephone alarm yesterday forenoon for a small fire in a clothes closet in a house in South Whipple street, occupied by John Fahey. The damage was slight.

Yesterday afternoon an alarm from box 125 summoned a portion of the department to a place in Suffolk street where there wasn't any fire. Smoke issuing from a chimney led some one to believe that the place, a bakery, was on fire and the alarm was sounded.

The teachers of the primary and kindergarten departments of the Dover street school held a food and candy sale Saturday afternoon and realized about $75. The proceeds are to be used in beautifying the grounds surrounding the school building.

"We may live without poetry, music or art,
We may live without conscience, live without heart,
We may live without friends, we may live without books—
But civilized man cannot live without cooks."

Assuming such to be the case, Miss Webber will, on Tuesday and Thursday afternoons, at 2 o'clock, at John street Appliance store, before the ladies, tell how and show how, the following:

On Friday afternoon at 4 o'clock, she will repeat before the gentlemen, the lecture of last week, this by request. The program is:

THE IRISH LEAGUE

Convention to be Held in Faneuil Hall

ON SEPT. 22nd AND 23rd

Messrs. Redmond and Devlin to Attend

BOSTON, May 25.—Boston has been chosen as the place for the holding of the next biennial national convention of the United Irish league of America. The national committee of the organization, numbering some 75 members, have voted with practical unanimity in favor of holding the convention in this city, and accordingly Sept. 22 and 23 have been selected as the dates for the gathering, which will take place in Faneuil hall.

John E. Redmond, the Irish parliamentary leader, and Joseph Devlin, M. P., for West Belfast, one of his leading colleagues, have notified the national officers of the American organization that they will come out to attend the convention. Information to that effect was received by cable from Mr. Redmond yesterday by the national officers of the American organization that they will come out to attend the convention. Information to that effect was received by cable from Mr. Redmond yesterday by the national president, Hon. Michael J. Ryan of Philadelphia, and the national secretary of the American league, John O'Callaghan.

The convention is expected to be one of the most important in the history of the Irish movement in this country, as on its deliberations will turn much that is of vital importance in the further progress of the struggle for home rule in Ireland.

The Faneuil hall convention will be the fourth o fthe United Irish league of America to be held since it was established, the constitution providing for a convention every two years. The first was held in Faneuil hall in 1992 and was attended by John Redmond, John Dillon, the late Michael Davitt and Edward Blake, then a member of the Irish party, but since retired on account of ill-health. The subsequent conventions were held in New York and Philadelphia.

Since Mr. Redmond was last in America he and his party have succeeded in winning most important measures of reform for their people, an act providing for the building of homes for some 25,000 working men, a bill providing for the tenants in towns advantages similar to those already won for the farmers in the rural districts, and the university bill, which is now regarded as certain of enactment, which will provide for the higher education of the Irish youth, are only a few of the measures which the Irish party has succeeded in winning within the last two or three years.

The Irish council bill, which was rejected last year, on the advice of Mr. Redmond as being insufficient, was likewise a measure of large proportions, and had it been accepted would have wrought considerable change in the conditions of Dublin castle government in Ireland. The basis of the measure was so defective, however, especially from the standpoint of its constitution, that it was deemed wiser to reject it and not compromise the full claim of the country to national self-government by its acceptance. Already the liberal party has been committed to make complete home rule one of the leading issues at the next general election, which justifies completely the action of the nationa convention which rejected the council bill.

FIRE IN ATHOL

All Occupants of Buildings Escaped

ATHOL, May 25.—Two buildings in which were five stores and a number of tenements were burned yesterday. Some of the occupants of one of the buildings had to be removed through the windows, but all escaped safely. The fire started at 12.30 yesterday a. m. in a three story wooden building, owned by Robert J. Simpson, occupied on the ground floor by the stores of William H. Hobbs, drugs, George R. Paige, insurance; Johnson and Bliss, meat market, and F. R. Hanson, barber shop. The upper stories were occupied by tenements. This building was practically consumed, while a story and a half wooden structure belonging to the Charles H. Tyler estate and occupied by the grocery store of Arthur H. Bowker, was also burned.

The tenements in the Simpson building were largely used for families and many of them were asleep at the time and had to be removed. Two women, who were unable to make their exit by the stairway were taken down ladders by the firemen. Ray Cole, who was one of the first to reach the burning building, was partially overcome by smoke while trying to arouse the occupants. He was not seriously injured, however.

The total loss on the building and the contents including stocks of goods is estimated at $10,000.

At one time it was feared that the flames would spread over the buildings, but at 1.46 the fire was declared to be under control.

AT CANOBIE LAKE.

The Beta Sigma club of this city held a well attended a very enjoyable dancing party at Canobie lake Saturday night. There were about two hundred present, a number being from Lawrence and Haverhill.

During the intermission refreshments were served. The committee in charge of the affair consisted of the following: General manager, Walter Stanley; secretary, William Robinson; treasurer, Raymond Coffin, Walter Grant, Walter Gunston, Carl Braun, William Walmsley, William Farley, Earl Farnham, Albert Ludwig, Roy Coram, Harold Sherman and Harold Fox.

New Priests Celebrated Mass

CELEBRATION AT ST. MARY'S

Notable Service at St. Patrick's Church

Rev. Edward Strauss, O. M. I., who was ordained to the priesthood last Thursday at the Tewksbury novitiate, celebrated his first solemn high mass at the Sacred Heart church yesterday before a large congregation. He was assisted by Rev. Bernard Fletcher, O. M. I., as deacon; Brother James McDermott as sub-deacon, and James Mahan as master of ceremonies.

The music was given by the sanctuary and church choirs, with Mrs. Adelaide Muldoon at the organ. At the offertory "Juravit," composed by Archbishop O'Connell, was sung by Mrs. Muldoon. The sermon was preached by Rev. John O'Brien, O. M. I., assistant pastor of the church. He spoke upon the gospel of the day for a time and then entered upon a discourse about the sacred duties of the priest.

In the congregation were the mother, brother and sister of Fr. Strauss, O. M. I., from Hamburg, N. Y. Rev. Frs. Smith and Barrett were in the sanctuary during the mass.

AT IMMACULATE CONCEPTION.

Rev. James Haggerty, O. M. I., one of the two young Oblates ordained last Thursday, sang his first high mass at the Immaculate Conception church, yesterday. He was attended by Rev. John M. McRory, pastor; Rev. John P. Reynolds, O. M. I., preached on the seventh article of the apostles' creed—"from thence he shall come to judge both the living and the dead." Fr. Reynolds after explaining the article, spoke briefly about the priesthood, its duties and responsibilities.

The choir directed by Mrs. Hugh Walker, sang Kumin's mass. At the offertory Miss Catherine L. Mullen sang an "Ave Verum" and at the close of the mass Mrs. Walker played "Tu es Petrus."

OBSERVE MEMORIAL DAY.

At St. Patrick's church, yesterday, at high mass Rev. John J. McHugh, who celebrated the mass referred to the coming of Memorial day and the soldiers who gave their lives for their country. He asked all Catholics to pay a special tribute to the dead on the holiday.

Yesterday was the regular communion day for the Sacred Heart sodality and the members received communion in a body at the 8.30 o'clock mass.

The members, as usual, made a fine appearance. The music for the mass was furnished by the sanctuary choir. Mr. John J. Kelty presided at the organ.

A rummage sale will be held on Thursday of this week in aid of St. Patrick's table at the coming bazaar to be held in Mechanics hall in Boston in October.

ST. PETER'S CHURCH.

High mass at St. Peter's church yesterday was sung by Rev. W. Geo. Mullin and a very instructive sermon on "Prayer" was preached by Rev. Daniel J. Heffernan.

Next Thursday, the feast of the Ascension, masses will be celebrated at 5, 7, 8 and 9 o'clock, with vespers and May devotions in the evening at 7.30 o'clock.

This evening in the Fair hall the final details for the parish reunion Wednesday evening will be arranged. Committees of the ladies and gentlemen of the parish will hold a meeting at 8.30 o'clock.

ST. MARY'S CHURCH

An immense throng of French Catholics journeyed to South Lowell yesterday to witness the beautiful religious services incidental to the blessing of the bell steeple and cross of St. Mary's chapel. A flag pole and flag presented by the Artisans society were also raised over the chapel with due ceremony.

At 2 o'clock, the Artisans and the parishioners marched in a body from the church to the electric car bridge at Wigginville, there to meet the clergymen who came to participate in the ceremony. These were Rev. Fr. Campeau, O. M. I., pastor of St. Joseph's parish; Rev. Frs. Lefebvre, Dubreuil, Amyot, Viaud and Barrett, O. M. I. Rev. Frs. Lefebvre and Campeau were the special guests of the day because they were the founders of St. Mary's parish.

The procession was headed by Fred Theriault, chief marshal, followed by the following aids on horseback; Alexander Pelletier, chief of staff; J. J. Rochette, Albert Morin, Amable Lacombe, George Marchildon, Eugene Coutu and Athanase Coutu.

Following the staff, came a large delegation of the boys of the parish, carrying small flags in their hands. The Artisans followed, bearing banners and flags, after them coming good-sized delegations from the following societies: Union St. Joseph branches St. Louis, Pawtucketville and St. Joseph's of the Artisans, Courts St. Antoine and St. Paul, C. O. F., and Union Garin Nationale.

The Gardes des Saints-Anges, headed by Major William Trottier, and the Gardes des Saints-Anges drum corps came next, followed in turn by the Garde d'Honneur of L'Association Catholique. Between the two military guards, forming guards of honor, the new cross to be placed on the steeple was borne. The choir boys of St. Mary's chapel, together with many from St. Joseph's and St. Jean Baptiste churches; he reverend Marist brothers and the clergy formed a cortege to the cross, bringing up the rear.

The services including a sermon and benediction took place in the open. Rev. Fr. Lefebvre, blessed the cross and Rev. Fr. Campeau blessed the flag pole and steeple. Rev. Fr. Viaud, standing upon the church steps preached an eloquent sermon on "The Cross." After benediction addresses were made by Frs. Campeau and Lefebvre and Arthur Beaucage, representing the laity.

FR. LEFEBVRE'S JUBILEE.

The French American Federation held an assembly yesterday to put the finishing touches to the organization of the June fetes which are to mark the golden jubilee of Rev. Fr. Lefebvre, O. M. I. The different committees reported. The committee on music reported the engagement of two bands, the American and National, for the procession. Divers other matters came up. Maxime Lepine presided. The last assembly before the event will take place on June 14.

A THOUSAND MARCHED

In St. Michael's May Procession Yesterday Afternoon

And 10,000 People Crowded the Streets Along Line of March—A Strikingly Beautiful Religious Event Carried Out With Complete Success

The celebrated May procession at Lawrence is no longer the centre of attraction for the Catholics of Lowell and vicinity on the third Sunday in May, for that of St. Michael's parish, Centralville, has now become the attraction to which all roads lead on that day and yesterday's annual event was the greatest and most successful in the history of the parish and was reviewed by a crowd of about 10,000 people. Hundreds who went to Centralville to view the procession were unable to stand the oppressive heat and the immense gathering and reluctantly retraced their steps and even then the police were kept busy along the line of march keeping the crowd back sufficiently to allow the processionists to proceed along the street.

The procession and the services incidental thereto were in charge of Rev. Dennis F. Murphy, ably assisted by the Dominican Sisters of St. Michael's parochial school and the clergymen of the parish and surely a more strikingly beautiful religious event was never held in Lowell.

REV. JOHN J. SHAW,
Pastor St. Michael's Church.

There were 3000 children and adults in line, the children most beautifully gowned in delicately colored raiment, the garments were of most attractive design. The procession formed in Sixth street in front of St. Michael's church and proceeded through Read street, to Third, to Bridge, to Sixth, to the church, where the crowning of the Blessed Virgin and benediction concluded the event. Street car traffic was entirely suspended during the procession on the Dracut Centre and Christian Hill line so dense was the crowd. As the procession moved along the line of march the sanctuary, children's and sodality choirs alternated in singing hymns to the Blessed Virgin. At the ceremony of crowning the Blessed Virgin Rev. Fr Murphy officiated and later little Misses Grace Donohue and Lillian Schermerhorn were crowned Queens of the May. The day's exercises closed with benediction at which Rev. John J. Shaw was celebrant, assisted by Rev. Eugene Carney, deacon and Rev. Francis Mullin, subdeacon. Rev. Dennis F. Murphy, master of ceremonies. As the clergymen left the altar, choir and congregation sang "Holy God We Praise Thy Name."

PROCESSION NOTES

St. Michael's May procession has become as big an attraction for all classes, as the May procession in Lawrence. In point of attendance yesterday's procession rivalled the night before Fourth celebration in Centralville, last year.

There was absolutely no disorder despite the fact that the day was most sultry and the crowd immense. The only difficulty experienced was keeping the crowd back to give the processionists room to proceed. This, however, was due to the size of the crowd, rather than any intentional attempt at annoyance.

Rev. Fr. Shaw, the zealous pastor of St. Michael's, was the recipient of many nice compliments and words of congratulation on the beauty and solemnity of the procession.

One of the most picturesque figures in the procession, was little "Jack" Meagher, the handsome and precocious son of Dr. M. J. Meagher, who appeared as "John the Baptist." Jack moved along with a gentle dignity that finely befitted the character he was assuming, until he reached his home, where upon espying his parents on the piazza, he suddenly forgot his saintly role and let out a war whoop, lest the folks would overlook him as he passed.

Another very attractive little figure was Miss Marion McLaughlin, the golden haired daughter of Mr. Edward P. McLaughlin of Bridge street, who with golden crown and pink gown was an angel in fact.

Centralville should feel proud of its children for on all sides the expressions: "Where did they get so many beautiful children," was oft repeated as the procession passed.

Many of the windows of the houses along the line of march were lighted with candles and adorned with flowers, and the colors of the Blessed Virgin, blue and white.

At the residence of Dr. M. J. Meagher, the balcony front was covered with blue and white bunting, while a statue of the Virgin adorned with flowers, occupied the centre.

In front of the parochial school, a shrine to the Blessed Virgin was erected.

MEMORIAL SERVICE

Held by G. A. R. Posts in First Congregational Church

REV. GEORGE B. DEAN,
Orator of the Day.

Oration Delivered by Rev. George B. Dean of St. Paul's Church—Death Roll of the Various Posts

The annual memorial service of the G. A. R. posts of Lowell was held at the First Congregational church yesterday afternoon. The orator of the day was Rev. George B. Dean. Jeremiah Dacy, commander of Post 120, was chairman. The commanders in charge of the other posts were Earl A. Thissel of Post 42, and Amos Winters of Post 185. The music was by the full choir of the First Baptist church, and the American orchestra. The soloists were Mrs. W. H. Pepin and Joseph H. Heathcote.

"Onward Christian Soldiers" was the opening hymn. There was a selection by the orchestra and then came the anthem "Glorious is Thy Name" by the full chorus and orchestra. The Scripture reading was by Rev. B. A. Willmott, and the invocation by Rev. A. P. Wedge. Then followed the roll of the dead.

"Memorial Day" was sung by Mrs. W. H. Pepin, Mrs. W. I. Hervey, John A. Wilby and J. H. Heathcote; and then Rev. A. C. Ferrin read the address of Abraham Lincoln at Gettysburg, Nov. 19, 1864.

Rev. J. Wilbur Stephan offered prayer, after which the choir sang the "American Hymn," with Mr. Heathcote as soloist.

Mayor Farnham's name was on the program for an address but he sent word that he couldn't come and Councilman Wainwright filled his place, speaking of the Civil war, the causes that lead up to it, and the bravery of the northern soldiers, etc. The councilman made a fine impression and showed great familiarity with his subject.

The oration by Rev. George B. Dean touched the sympathies of the veterans and met their hearty approval. It was in part as follows:

"On the field of Gettysburg, Lincoln recognized that you men had not completed the battle. No battlefield ever wins a complete victory. If you will go over the history of your country you will find that the very principles for which men fought are the principles at stake today.

"Our forefathers rose up against the tyranny of a foreign power. Their spirit was expressed in that famous doctrine of Monroe's issued a few years later. It was simply this: 'America for Americans.' The only way by which America can be conquered by a foreign power, is by immigration. My contention is not against the immigrant who comes to our shores. He is welcome. My contention is that when the immigrant does come, he should become an American. Welcome the foreigner, but make him an American.

"The prime cause of the Civil war was secession. When American citizens dared to fire on the flag, it was no wonder that you rose up as you did. It is a fact that that great cause for which you went to war is one that still faces us. The war had been declared closed, when Booth shot Abraham Lincoln. That bullet was aimed at the flag, as well as the cannon ball at Fort Sumter. The cause of the war was not over.

"In the time of peace we do not look for bullets and cannon balls as much as for ballots. What think you of a man who, knowing or believing what is the best thing for his country, will cast his ballot for that which he knows is for the destruction of his country. It is Booth, aiming at the flag. In the time of peace, a man who will plunder the municipal treasury or the state or national treasury, should be dealt with as a traitor. It is a disgrace upon all of us who countenance his infamy.

"That Civil war was soon turned into a war against slavery. The educated conscience of today rebels against all that represents slavery. I have my protest against the employer of men who take advantage of men's necessity to make them work at a poverty wage or starve, and against the union man who takes advantage of the men who cannot afford to give higher wages, and compels him to do it or stop the wheels. I protest against the employment of children in the southern mills and in the coal mines.

"Is it right that one class should rule, abuse and use another class, just because they have got a little something that is not really theirs? Over 40 years ago you went to the war to answer that question. You answered it. Since that day, the land of Washington and of Lincoln has become too sacred to have within it any sort of slavery that man ever dreamed of or can devise. We must see to it that every man, woman and child who walks beneath the folds of this flag has liberty in letter and in spirit. Already, there is a wave arising that shows us that moral issues are at the front. There is a wave that shows a determination that the rum power shall no longer throttle legislation. We have much to be thankful for. What we need now is a genuine revival of good citizenship. We must raise the standard of politics and bring it nearer to the standard of Christianity."

"America" was first read by Rev. O. C. S. Wallace, then sung by the audience, standing, and the chorus choir, with orchestral accompaniment.

Rev. E. Victor Bigelow pronounced the benediction, and the Grand Army men left the church followed by the audience.

The day's program was as follows:

S. P. S. C. 19; Y. M. C. I. 12.

The Sanctuary choir of St. Patrick's parish trounced the Y. M. C. I. of the Immaculate Conception in the third game of the Catholic League series on the North common, Saturday afternoon by the score of 19 to 12. This victory for the Acre boys gives them the first place in the standing of the league.

In the first inning the young men of Belvidere scored three runs but when the choristers got going nothing but a stone-wall could have stopped them: they gave Rogers, the pitcher for the young men, the worst drubbing he ever got.

Mills the right fielder of the Sanctuary choir team, was the star of the game. He accepted five chances in the field without an error, while at bat he made a home run with two men on bases. Connell, pitcher for the choir team, had ten strike-outs to his credit, while Rogers didn't have one.

MARATHON RACE

TIME MADE IN THE EVENT IN ENGLAND.

The English Midland Counties Marathon, the first full twenty-five miles covered on a road in the recent trials, took place a couple of weeks ago under the auspices of the Birchfield Harriers. The course was near Coventry on the old Chester road. Out of an entry list of thirty-nine there were but seven absentees, the most prominent being F. Appleby of the Herne Hill Harriers.

The roads were dry, but the runners were greatly interfered with by motorists and cyclists. After about nine and a half miles J. Price of the Small Heath Harriers went into the lead and kept it to the finish, winning by two miles and a half or thereabout. Price is 23 years of age and works in a gas furnace nightly for a living. Following is the placing of the first seventeen:

AUTOMOBILE NEWS

Jefferson De Mont Thompson of the Automobile Club of America, who is also chairman of the Vanderbilt cup commission and the A. A. A. racing board, announced yesterday that Robert Graves and Harry T. Clinton, both of whom are members of the Automobile Club of America, had been appointed members of the A. A. A. racing board. Mr. Graves is one of America's pioneer motorists, and Jenatzy drove Mercedes racers in two of the Vanderbilt cup races for him. Mr. Graves had been a member of the Automobile Club of America for about two years before the A. A. A. was formed. Mr. Clinton is manager of the publicity department of the Association of Licensed Automobile Manufacturers.

John Kane Mills of the Automobile Club of America gives the following advice regarding acetylene lamps: "If acetylene headlights or lamps do not give as much illumination as the amount of gas in the tank would warrant motorists should be sure that the tips of the burners are pointed fore and aft with the car. This gives a flame that is athwartships of the car, which will emanate more light than any other position of the flame."

THREE KILLED

In Electric Car Accident in Philadelphia

PHILADELPHIA, May 25.—Three persons were instantly killed and at least five others were so badly injured that there is no hope for their recovery, and forty-five were seriously hurt in a collision between trolley cars on Germantown avenue, near Chestnut Hill, a suburb in the northern section of the city, late last night. The only body thus far identified is that of Mrs. George D. Wagner, aged 65 years, of Cornwell, Pa.

The bodies of an unidentified woman about 60 years old, and an unidentified man about 45 years old, are in a hospital near the scene of the accident.

Forty-five persons were taken to the Chestnut Hill and Germantown hospitals each of which is several miles from the scene of the accident and many were taken away in automobiles by the wealthy residents of the exclusive district of Chestnut Hill.

They were treated by private physicians and in consequence details about the injured cannot be obtained.

Among those dangerously injured was George Wagner, whose wife was killed.

Alexander McKay, aged 45, who has a wooden leg had the artificial member jammed into his body and he cannot live, it is said.

The accident was caused by a car jumping the track while going down a steep grade not far from Chestnut Hill. The car swung across the other track and was struck by a car on that track. Both cars were filled with passengers.

SNELL LETTERS

WOMEN REQUESTED THAT THEY BE PUBLISHED.

CLINTON, Ill., May 25.—Clinton women are so deeply stirred by the constant menace that the names of young matrons of the city will be involved in the notorious Snell will case that they will make an organized appeal to the lawyers in the $1,500,000 will case to throw all the correspondence open to the public and let those women suffer who are guilty of indiscretions. This will remove possible suspicion from women who never wrote to Col. Snell nor became entangled in his love affairs.

Miss Nettie MacArthur, president of the local chapter of the Daughters of Rebecca, said this evening that she favored action by her organization in the direction of a complete cleaning out of Clinton, so far as the will contest is concerned. She believes the names of the women who accepted money from Snell or who wrote fervid letters to him should be produced in court and the names made public.

It was admitted by one of the lawyers that three women, aside from the wife of the Rev. E. A. Hamilton and Mabelle Snell, are involved in the letters found in the old man's trunk after his death. Edward J. Sweeney, of counsel for Richard Snell, the contestant of the will, denied that any woman or women had urged more publicity in connection with the letters.

The Rev. Mr. Hamilton's wife, who is the alleged authoress of many of the letters received by Snell, was a member of the Daughters of Rebecca when she lived in Clinton, while her husband was pastor of the Methodist church.

There is a revival of the talk heard at the first trial that the government may prosecute the writers. Post office inspectors are here working on the case, it is said, and the letters may be given them after the lawyers in the will case have used them.

The characters of many are attacked in the Mabelle Snell-McNamara letters. References to her rivals, said to have been made by Mabelle, have caused the greatest anxiety. They are hoping something may happen to exclude the letters from court.

No such property as this has ever been offered at public sale in Lowell. On the line of electric cars.

There are shady groves and abundant growing fruit trees of all kinds within its limits. For a gentleman's place, a rich man's summer home, or to develop for building lots, this estate presents attractions and possesses possibilities greater than any other area of equal extent on the entire Merrimack river from Nashua to Newburyport.

I at this property must be sold, and soon

Wednesday, May 27, at 3.30 O'Clock P. M.

It will be offered at public auction on the premises by Simon B. Harris, auctioneer, room 4, Central block, Lowell, Mass., where can be found the plans of the place, and parties to show prospective purchasers over the premises.

Terms: $1000 must be paid to the auctioneer when the property is struck off. Further information regarding the property, title and terms of sale can be had by addressing the auctioneer at his office or Nathan D. Pratt, guardian, 45 Hildreth building, Lowell.

LOCAL MILITIA

Receives Orders for the Manoeuvres

Complete orders for the military manoeuvres have been issued. The principle manoeuvres will take place at Fehl's Mills, New York, commonly called Pine Plains.

For the militia, the tour of duty will be divided into three periods. During the first period, from June 15 to June 25, there will be added to the other forces the Second, Sixth and Eighth Massachusetts regiments under the command of Gen. E. M. Clark, the Twenty-third New York infantry, 10 troops of New York cavalry, two batteries of the Third field artillery, and at least one and possibly two companies of engineers.

This tour of duty will include the three local companies of the Sixth regiment, C, G, and K. The men, it is understood, will go out only with their khaki uniforms, though with other full field equipment. The first three days will be devoted to light work preparatory to the manoeuvers in the field to complete the week's exercises. The trip to the camp ground will be made at night, it is expected, the men arriving in time to begin work promptly on the minute.

The total number of men on the field at this time will approximate 8000, a fact which is liable to prove a hard nut for the commissariat to crack. Owing to the new regulations, no regimental commissary officer may order supplies amounting in value to over $100 without making requisition for the same.

MILITARY NOTES.

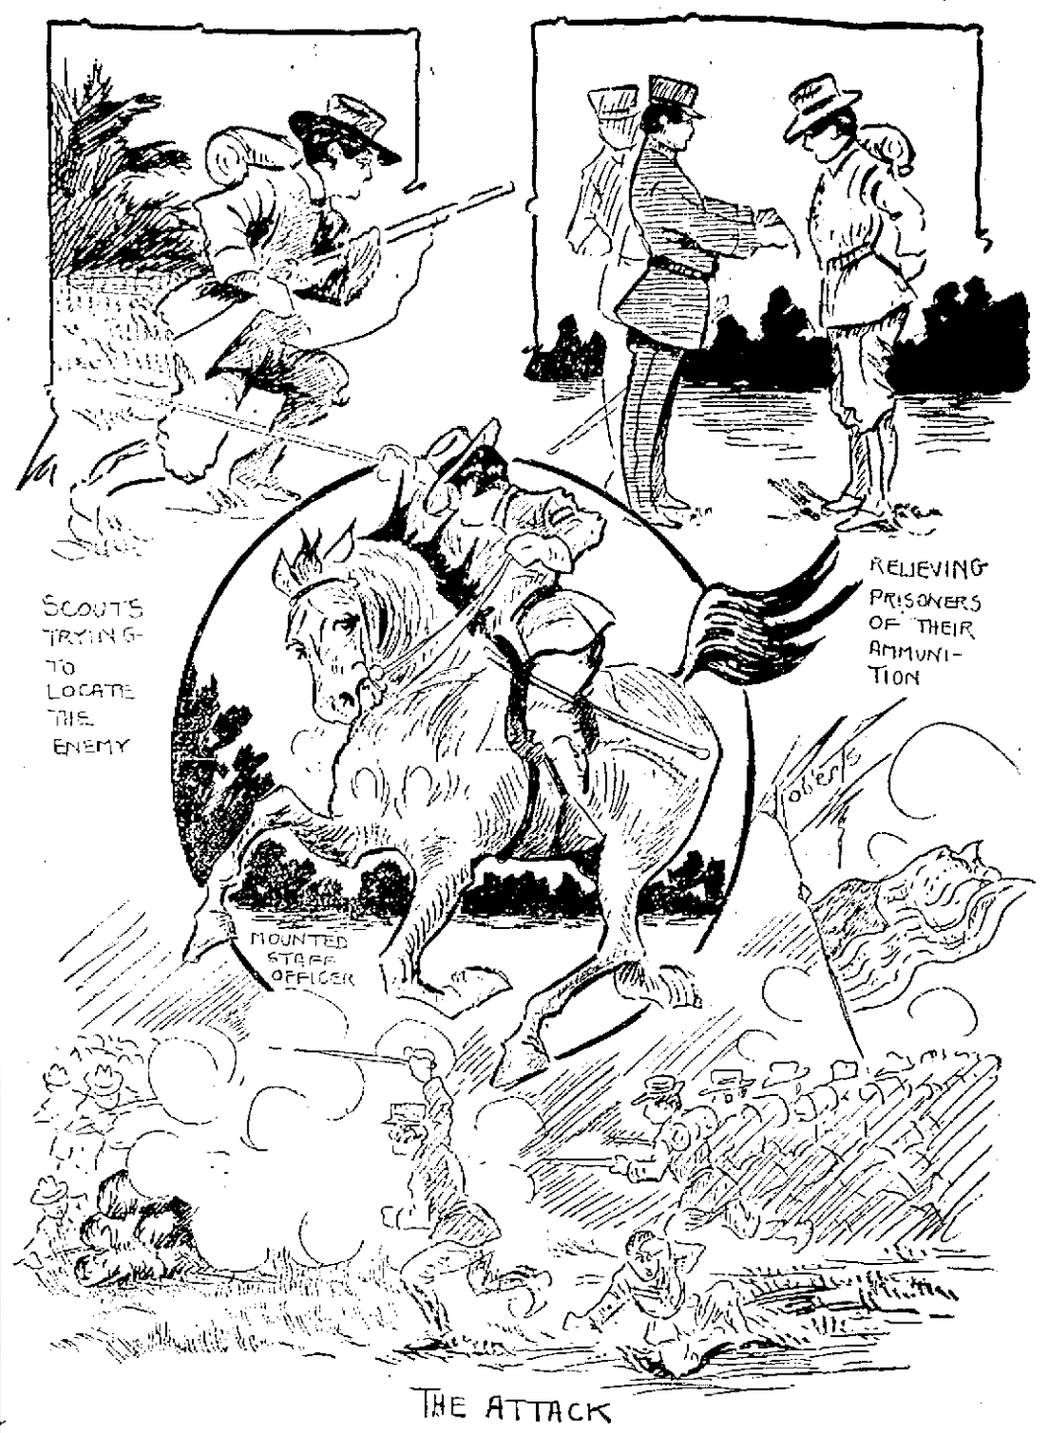

Company M has received the new Springfield rifles. They resemble the Mauser, though the bolt is similar in pattern to that on the Lee, used by the English. The gun is almost entirely encased in wood. The new guns will not be issued to the regiment going to New York until after camp.

THEATRE VOYONS

A good hearty laugh always goes a long way toward making a show enjoyable and in this respect the performances at the Theatre Voyons easily excel all other kinds of amusement. The laughs are always there, not dry-hard-to-find jokes nor old time-worn-out sayings, but bright, new comedies presented by moving pictures. The moving picture photographers are keen after new ideas in laughs and a few get by them whether they be in the funny papers or in stage productions. Anybody wanting the tonic of a little laughter should attend.

Mr. Pinault, the furnishing goods dealer at the corner store, Central block, will positively close out his big stock. The store will not be open later than June 1st, so go today, for bargains.

Tom N. Kershaw, pianist and leader of the orchestra at Hathaway's theatre, leaves this week for Bayonne, N. J., where he will lead an orchestra in a summer park for two weeks. After that he will go to Rochester, N. Y., to occupy a similar position during the remainder of the summer.

POLICE COURT

Lawrence Man Made Rounds of the Local Hotels

Several Women Offenders in the Dock Today—Man Who Plucked Flowers on Fort Hill Park Was Fined — Horace Parnelle Sent to State Farm

William Legendre, who claims a residence in Lawrence, came to Lowell yesterday and succeeded in making a tour of the hotels with the result that he got intoxicated and was arrested. Inasmuch as he was arrested on Sunday he was taxed the usual $5. He explained to the court that he had but $2.25 in his possession and made a plea to be allowed to go as he might lose his work. His plea failed, however, for the court refused to rescind the fine.

William Shayer, James H. Mack, August Johnson, John Christianson and Patrick Donlon, Sunday drunks, were fined $5 each.

SUSPENDED SENTENCE.

Lizzie A. Harris, a middle aged woman, neatly attired, pleaded guilty to a charge of drunkenness. It was her second offense and after the story in connection with her arrest had been told she considered herself very fortunate in being placed in the hands of the probation officer.

Early yesterday morning a woman who conducts a lodging house in Middlesex street reported to the police that the Harris woman was in a room occupied by one of her male boarders and that she refused to leave the place. Patrolman Clements paid a visit to the house in question and found the Harris woman in the room. Just as the door was being tried a man who was in the room jumped from a rear window and made his escape.

In court this morning she entered a plea of guilty and was sentenced to four months in jail, sentence suspended and she was placed in the hands of the probation officer.

HELD IN $300.

Arthur Marchand and Jennie Ratty, charged with adultery, pleaded guilty and were held under $300 bonds for the superior court.

Patrick L. Lynch, second offender, was fined $8.

NON-SUPPORT CASE.

James Walter Scott was charged with failing to provide for the support of his wife, Clara. Mrs. Scott testified that she resided in Pleasant street and a week or so ago her husband after drawing his pay left her. Scott was placed in the hands of the probation officer.

COST HIM $1.

John Yeck went up to Fort Hill park yesterday morning to inhale some of the fresh air that was free of charge and while strolling through one of the avenues he happened to espy a handsome lilac bush. The lilac looked very pretty and he could not resist the temptation to pluck a small flower. He no sooner had the flower in his buttonhole than he had been buttonholed by an officer and sent to the police station. In court he pleaded guilty and a fine of $1 was imposed.

SENT TO STATE FARM.

Horace Parnell, who rushed through Market street early Saturday morning in an almost nude condition, and who refused to appear in police court Saturday morning in a pair of overalls, was coaxed by five officers to appear before Judge Hadley this morning.

Parnell has been very sullen since his arrest and has told contradicting stories. He is considered a bad man and it was decided that if he was brought into the crowded courtroom he might cause a disturbance.

When all the other cases had been disposed of Parnell, accompanied by five officers, was escorted to a position in the dock. The air of bravado which he displayed and the sneering manner in which he took in the occupants of the court room showed that he did not really know whether or not it was worth while to cause a disturbance.

"Horace Parnell, you are charged in this complaint with being drunk, are you guilty or not guilty?" called Assistant Clerk Trull.

"Guilty of being drunk," snarled Parnell.

Deputy Welch then informed the court how Parnell had rushed into the station house early Saturday morning and told a story of having worked in the diamond mines in Kimberly, South Africa, and was robbed of $50 and his clothing by two unknown men near the Lowell Machine shop.

He was sentenced to the state farm at Bridgewater.

THE DRUNKS.

Thomas J. Sheehan, who was sentenced to three months in jail on a charge of drunkenness a week ago Saturday, appeared before Judge Hadley this morning and withdrew his appeal.

Alexander Miron, Charles W. and Timothy Ryan, second offenders were fined $6 each.

Four first offenders were fined $2 each and eight were released before the opening of the court.

HEAVY SENTENCE.

Mary A. Moran was arrested in a house in Butler avenue Saturday night and in court this morning pleaded guilty of being drunk. It was her third offense and despite the plea made by her husband she is liable to spend the next four months in jail. On a previous occasion when the woman was in court her husband testified that while he had been married to her for a number of years he had lived with her but a few weeks. This morning he said that he had a home for her in Lawrence and was willing to provide for her. The court imposed a sentence of four months in jail and told Mr. Moran that if he could bring a certificate showing that he had a home for her, the woman would be taken out of jail and placed on probation.

MAN WAS DROWNED

While Bathing in the Merrimack River

James Patterson, aged 21 years and a resident of this city, was drowned while bathing in the Merrimack river yesterday afternoon. The accident happened at what is known as the "second swimming hole" and is located near the car barn in First street. Several of Patterson's companions tried to rescue him, but were unsuccessful.

The young man, who was partially blind, was bathing with Robert Prescott, Richard Bennett and Arthur Carbille. He was not a good swimmer and the other three young men were quite a distance from him when they saw him struggling in the water. Prescott swam as fast as possible towards Patterson and reached him in time to grab him by the arm. Patterson, like all other drowning men, in his frenzy grabbed Prescott about the neck and both went under the water. When they came to the surface again Prescott succeeded in releasing himself from Patterson's grasp and with a great deal of difficulty swam to the shore which he reached in an exhausted condition.

Undertaker James W. McKenna was notified and he and several other men have been searching for the body, but at the time of going to press it had not been recovered.

Patterson was born in Waltham and was in the care of the state authorities for some time. He had been trying for about a year to find his parents and his brother, but was not successful.

BOTTLE VENDERS

Were Not so Bold Yesterday as Before

The illegal sale of liquor by "hippers" yesterday was greatly lessened owing to the article which appeared in last Monday's issue of The Sun and the vigilance of the plain clothes men who were on the lookout for violators of the law.

Of course there were some illegal sales made, though Supt. Moffatt of the police department is of the opinion that the article which appeared in The Sun caused these "hippers" to keep off Middlesex street yesterday.

OFFICE, LOWELL, MASSACHUSETTS.

TOMORROW AFTERNOON
Pledged to Whomsoever Will Bid the Most at Absolute Auction Sale

The Amos Green estate, No. 66 Tenth street, opposite Varnum street. Well within the reach of the average citizen. But 180 feet from the corner of Tenth and Methuen streets, but 105 feet from the corner of Tenth and Myrtle streets, but two minutes' walk to the Christian Hill line of street cars at Beech street, and but four minutes' walk to the cars at Bridge street. For the purposes of this sale the estate has been surveyed and divided into two lots: The residence and lot with a frontage of 68½ feet, and a vacant lot adjoining with a frontage of 77 feet. The area with each lot is large because of the depth of the land, yet it was deemed best not to make further sub-division. Large or small, the lots must be sold to the highest bona fide bidders.

The location of the property for resident or home purposes or for subdivision for building improvements, in many respects is as desirable as any location in Centralville. It is a sightly spot, up from the street, facing a street, a few feet from the corners of Methuen and Tenth and Myrtle and Tenth streets; street cars within two minutes on one side and four minutes on the other side and all within 11 minutes' comfortable walk of Merrimack square. It is not a common thing to have offered so elevated, sightly, well laid out, attractive and extensive area with every municipal convenience so easy of access and so close to the business center. Added to the aforementioned conveniences, the mature shade and abundant fruit trees, vines and bushes, shrubberies, etc., etc., all about it, and its level surface tend to substantial residential property, or for a number of homes, or for a cottage settlement, or for renting properties: yes, for any purpose for which real estate can be profitably used, except business purposes.

LOT ONE An excellent, solid, substantial, old-fashioned square house in prime condition inside and out; built by the Merrimack Manufacturing company for the late Mr. Green, who was in their employ, and it is characteristic in quality of their work. Twelve square rooms, also halls and perfect cellar. Four corner rooms. Two fireplaces on first floor and two on second floor. Comfort was not sacrificed to outside appearance. Not an unpleasant room in the house, the windows have shades, there are outside windows, a piazza on two sides, slated roof, splendid well and large cistern. The building will please, and not disappoint, upon a thorough examination of it as to its present condition and possibilities. STABLE, 22½ feet square, with an ell 12 feet square. Small lattice work summer house in yard. THE LAND has an area of a little less than 15,000 square feet, a frontage of 68½ feet on Tenth street and a depth of about 220 feet, or extending back to the rear of Eleventh street lots. There are 20 fruit trees, all thrifty but of different age. The purchaser of this lot must deposit with or secure to the auctioneers $400 immediately it is struck off. Lot One, with slight exception, is an ideal home just as it exists today. It has taken years to mature the natural development here.

LOT TWO 16,000 square feet of land adjoining Lot One, with a frontage of 77 feet on Tenth street and a depth of about 214 feet, and, like Lot One, extends back to the rear of Eleventh street lots. It has eight fruit trees, several grape vines and fruit bushes, is level, faces Varnum street, awaits improvements, because of its location, and this is particularly true because of its environment, affords ample room for four cottages or two two-family houses, leaving good and sufficient land for yards, gardens and a street. The character of the neighborhood is such that this suggestion, if carried out, should prove successful and profitable. The purchaser of the lot must deposit with or secure to the auctioneers $250 immediately it is struck off.

A sketch has been made of the premises belonging to the estate, showing a street in from Tenth street with two large corner lots on Tenth street and four desirable lots facing the proposed street. A study of the premises, though, will reveal a much better plan of sub-division, should the purchasers of it wish to use it for improvements.

Of the purchase money for Lot One, two-thirds (possibly more) can remain upon mortgage; for Lot Two, one-half (possibly more) can remain upon mortgage. The house will be open for inspection after 10 a. m. the day of the sale, or before, upon application at the office of the auctioneers, where all inquiries must be made. The sale will take place upon the premises regardless of any condition of the weather, tomorrow afternoon, the 26th day of May, 1908, beginning promptly at five o'clock in the afternoon.

INSPECTOR HOAR

Wants to Know His Authority in Condemning Elevators

Elevator Inspector Hoar will ask City Solicitor Hill for an opinion relative to his authority in the matter of condemning elevators. Since The Sun recently printed an exclusive story of the work of the elevator inspector a member of the state police force from Boston called on him and notified him that there appears to be a division of the authority to condemn elevators under the law and asked his co-operation in ironing out the matter. It seems that the state police asked the legislature to relieve them of the work of condemning elevators and the legislature accordingly passed a new section giving the authority to elevator inspectors to be appointed in cities by the departments of buildings but did not revoke the original law giving the authority to the state police. By means of this loop-hole some elevator owners have attempted to evade their responsibility and hence Inspector Hoar has asked the city solicitor for an opinion as to his authority in Lowell.

Among the elevators condemned, temporarily, by the local inspector is one at the plant of the Lowell Insulated Wire company. The inspector found that the automatic gates were broken, there are six windows that are not guarded and the signal system required by law is not in operation. The law also requires that the elevators shall be properly designated as to passenger or freight service and these elevators are not so designated.

Inspector Hoar has also ordered changes in a freight elevator at the Bleachery. He has ordered that the automatic doors must be made to close and wedges must be supplied to keep the four wheel trucks from jumping off.

TWO COURTS SITTING

Judge Fessenden Opened Session Here Today

Two sessions of court are now sitting at the court house in Gorham street, the extra session being that for jury waived, divorce, uncontested and contested and equity cases which came in this morning with Judge Franklin G. Fessenden on the bench and Roger Hurd, son of Clerk Theo. C. Hurd, as clerk.

After the reading of the docket by Clerk Hurd, the case of McCarthy vs. Wilson, an action of tort, went to trial with John J. O'Connor of Wakefield and Boston for the plaintiff and Judge Fisher for the defendant. The parties in the case are from Acton, Mass., where in 1904 the plaintiff alleges he was badly injured while in the employ of the defendant in the logging business, a tree falling on him through the alleged negligence of the defendant.

The docket for the jury waived session is as follows:

Fardon vs. Boston & Northern, Foster for the plaintiff. Hurlburt, Jones and Cabot for the defendants.

Schoof vs Lawson, Sherburn, Studley and Buck for the plaintiff and C. N. Harris for the defendant.

O'Sullivan vs. Callahan, T. J. Enright for the plaintiff and the Messrs. Hogan for the defendant.

Murphy vs. Thompson, J. H. Murphy, L. G. Blair for plaintiff and H. N. Allin for defendant.

Snow vs. Howe et al., G. Murchie for plaintiff and Saltonstall, D. & C. for defendants.

Quirbach, ex's, vs. Garvey et als., P. A. Fay for the plaintiff and J. F. Owens for the defendants.

Independent Ice Co. vs. B. & M. R. R., W. W. Kennard for the plaintiff and Richardsons, T. & W. for the defendant.

Leahy, Rep., vs. Barber et al., D. J. Donahue for the plaintiff and J. F. Owens for the defendant.

Cutler vs. Prescott, E. C. Stone for the plaintiff and Adams & Blinn for the defendant.

Bruce vs. Casey, A. O. Hamel, H. G. Hill, J. E. Loughran for the plaintiff and the Messrs Hogan for the defendant.

Sullivan, p. p. a., vs. McDonough, A. S. Howard for the plaintiff and Sisk Bros. for the defendant.

Woodward vs. Hayward. A. P. Parker for plaintiff, C. H. Conant for defendant.

Lowell Trust Co. vs. Daniels. Hogans for plaintiff, Pratt & Devine for defendant.

Dempsey et al. vs. Barry et al. D. J. Murphy for plaintiffs, E. D. VcVey for defendants.

The divorce cases which will come after the jury waived session include several well known Lowell parties. The equity session includes seven cases, six of which are Lowell cases.

UNDER ADVISEMENT.

The case of McCarthy vs. Wilson on trial this morning before Judge Fessenden was finished this afternoon and the court took it under advisement.

Before the next case was started J. Joseph Hennessey who will appear for Cora Leduc, libellant in the divorce case against her husband Maggiore Leduc when these cases are reached informed the court that the identifying witness in his case, one Wilbred Melancon, was going to Canada tonight for a long stay and asked permission to have him testify at this time. The court granted the request and Melancon testified to having identified Maggiore Leduc for the deputy sheriff who served the papers on him.

The next case was that of Schoof vs. Lawson, an out-of-town case.

THE JURY SESSION.

In Judge King's jury session of superior court this morning one would think that the street department had gone out of business, for about all the bosses of that department from the redoubtable Chas. F., down the line were present. The others, all witnesses for the defence in the suit of W. T. S. Bartlett vs. City of Lowell were Asst. Supt. Hartwell, John J. Mullaney, John Bowers, Clerk Clarence Raymond, John Enright, Thomas Morrison, John Nerney and John Blessington. Ex-Mayor Casey was also present as a witness for the defence. Ex-Supt. Laforest Beals was present for the plaintiff. The examination of the experts on gravel banks continued this morning with Engineer Osgood on the stand. After him came Dennis E. Connors of the firm of Connors Brothers, Patrick Cogger, John A. Simpson, Harvey Tarbell, all of whom testified as to the value of gravel at the Bartlett gravel bank. They all expressed the opinion that the gravel in the bank was worth about 50 cents per yard.

During the cross examination of Mr. Connors, City Solicitor Hill asked: "You have had some claims aginst the city of Lowell, have you not?"

"Yes, but they were all paid," promptly returned Mr. Connors.

"Have you had any suits against the city?" was the city solicitor's next question.

"Yes, and I won," was the answer.

During the cross-examination of one of the witnesses Mr. Dunbar asked a question to which the city solicitor objected.

"Do you think that the question is admissible?" inquired the court of Mr. Dunbar.

"I assume that it is because my brother objects to it," was Mr. Dunbar's rather unkind reply.

Judge King notified the jurors during the morning that they would sit until one o'clock today, 15 minutes longer.

The testimony of the several experts for the plaintiff was finished this noon and the plaintiff, William T. S. Bartlett took the witness stand this afternoon, his testimony taking up the entire afternoon session.

High School Regiment Made a Grand Appearance

The twenty-seventh annual prize drill and field day of the Lowell High school regiment and annual exhibition of calisthenics is being held at Washington park this afternoon. The event was scheduled to take place last Friday, but owing to the inclement weather it was postponed until today.

The young soldiers accompanied by the Municipal band of 25 pieces and the High school drum corps presented a very neat appearance as they marched through the streets from the annex to the park.

The officers of the regiment were neatly attired in the regulation military uniform. The young soldiers were attired in blue coats, duck trousers and brown leggings.

The members of the regiment assembled at the annex in Paige street shortly before one o'clock and at 1.15 o'clock the formation took place and the start made for the park.

The first battalion was headed by the Municipal band and the second by the drum corps.

The route of march was from Paige street, to Kirk, to Merrimack, to Central,

THAW IS INSANE

POUGHKEEPSIE, N. Y., May 25.—Harry K. Thaw, the slayer of Stanford White, will not be released from the lunatic asylum.

This is the decision reached by Justice Morschauser of the supreme court in an opinion filed early this morning in the matter of Thaw's application for release on a writ of habeas corpus.

Both points brought up by Thaw's attorneys are decided against him. The justice declares that Thaw is now insane and should not be allowed at large and he further declares that the commitment to the lunatic asylum by Justice Dowling after the last trial of the case was entirely legal.

Thaw's lawyers will today apply to the court for permission to place Thaw in some other institution than the Matteawan asylum and by stipulation with the district attorney the prisoner will be kept in jail here until Justice Morschauser renders a decision. The justice is holding court at White Plains this week and will not be able to hear the appeal before next week.

NASHUA VISITORS

WERE ENTERTAINED AT THE SPALDING HOUSE TODAY.

A chapter of the Daughters of the American Revolution from Nashua visited the Spalding House in Pawtucket street today and had a very enjoyable time. The ladies arrived in Lowell on a special car at 11.30 o'clock this morning and upon reaching the house luncheon was served. The party returned to Nashua late in the afternoon.

THE POLICEMEN

DONNED THEIR LIGHT HELMETS AND BLOUSES.

The patrolmen on the day shift donned their light blouses and light helmets yesterday.

A LIQUOR RAID

The liquor inspectors raided a house in Moran's yard off Adams street yesterday morning between 11 and 12 o'clock and secured a large quantity of beer and liquor.

A portion of the wet goods was found in a tenement occupied by John Battersby, while more was found in an empty tenement in the building.

ANOTHER MURDER

NEW YORK, May 25.—The body of an unidentified woman, believed to have been murdered, was found today floating in a barrel in Little Hell Gate between Ward's and Randall's islands. The woman's eyes were discolored and her nose was bruised. Nearby is Thomas Jefferson park where many Italian outings are held.

AT CITY HALL

SEVERAL MEETINGS ARE ON THE LIST.

The committee on electric wires will meet this evening as will also the special committee on the Huntington hall site.

Ex-Alderman Richard J. McCluskey will receive his degree from the Columbia Medical college in New York, next Wednesday. The ex-alderman was first in the examination for house physician at St. Mary's hospital, Brooklyn, and will spend two years in that institution.

CHANGE IN MUSIC

F. O. Blunt, supervisor of music in the public schools of Lowell, will recommend a change in the music system and will advocate a system that will emphasize the value of technique. He argues that Lowell is a bit different from the ordinary city. The child of poorer and sometimes the middle classes does not have the opportunity to finish the musical education offered by the public school system and it is because of that fact that he wants technique emphasized in order that the pupil who has to leave school in a hurry may profit by what he or she has learned.

HELD AS VAGRANT

A young man who gave his name as Michael Dzadulionis and his age as 18 years, called at the police station this afternoon about 2.30 o'clock and told a hard luck story. He had been without food for four days, unable to secure work and without a home or friend and this noon decided that in order to live, being too proud to beg, he would give himself up to the police.

He informed Deputy Welch that he was a Lithuanian and had been in this country one year and had spent about six months in Boston. He was unable to secure work in that city and has been going from one city to another.

One of his lower limbs is deformed. He was booked as a vagrant.

FREIGHT RATES

BOSTON, May 25.—After a brief continued hearing today on nine complaints, Charles A. Prouty, chairman of the interstate commerce commission, announced that he would recommend a reduction in the minimum freight rates on railroads to companies having granite quarries in Vermont and other granite shippers. The complaints charged discrimination and unfairness by the Boston & Maine, Canadian Pacific, Michigan Central, Long Island, Delaware and Hudson, Montpelier and Wells River and Delaware, Lackawanna & Western railroads. These railroads raised the minimum car load last year from 30,000 to 40,000 pounds.

BODY OF WOMAN

LAPORTE, Ind., May 25.—That the body of Mrs. May O'Reilly, who disappeared from Rochester, N. Y., last fall was substituted by Mrs. Gunness for her own in the fire, is the latest theory advanced by Attorneys Darrow and Worden, the attorneys for Lamphere. The attorneys are said to have secured evidence to substantiate such a belief.

GOULD WEDDING

PARIS, May 25.—M. Cachard, attorney for Anna Gould, who is engaged in preparing the contract for Madam Gould's marriage to Prince Helie De Sagan, authorizes The Associated Press to deny the story that the couple were secretly married at Hoboken on the eve of their departure from America last month.

As already stated the Goulds' opposition to the marriage has been withdrawn. The bans will be published next Sunday and the marriage will take place a fortnight later, the French law requiring that the bans be published ten days in advance of the wedding. There will be both religious and civil ceremonies, the former under the Protestant rite. The couple will be married under what is known in France as "the separation of property regime"—namely each party to remain in absolute control of his or her own fortune which in the event of death shall not pass to the survivor but to the heirs of the deceased.

DEATHS

BLOW—Henry D., infant son of William E. and Mary L. Blow, died Sunday afternoon at the home of his parents, 394 Adams street. The funeral took place this afternoon at 3 o'clock and the burial was in the Catholic cemetery in charge of Undertakers J. F. O'Donnell & Sons.

Tremont & Suffolk Mill Will Not Shut Down

There isn't any foundation in fact for the report that the Tremont & Suffolk mills are about to close indefinitely. That report was given wings a few days ago.

Asked today relative to this report, Agent Connell of the Tremont & Suffolk said: "We are running on full time. About one-quarter of our machinery is idle. There will not be any further curtailment until conditions warrant it, and it looks as if conditions might improve in the near future. The Tremont & Suffolk will not run to put goods in the store house but we will continue to run so long as there are sufficient orders in sight to warrant it.

"When you hear reports that have to do with the Tremont & Suffolk, just come to me and I will put you right. There isn't anything connected with our business that is of public interest that we care to conceal."

TRIED FOR MURDER

WASHINGTON, May 25.—The trial of Gasten C. Philip, the millionaire clubman of New York and Washington who a year ago shot and killed Frank Macaboy, a cab driver, was begun today before Justice Jobbarand. Counsel for the young clubman will plead self-defense. It is said on the other hand that sensational testimony will be brought out by the prosecution. The government is represented by Assistant District Attorneys McNamara and Turner while the defendant is represented by Henry E. Davis and A. A. Hoeling. The Arlington hotel was the scene and May 18, 1907, was the date of the tragedy. The two men came to the hotel where Philip was a guest, after a night trip in the latter's auto. It is said that Philip and Macaboy had quarrelled over a fee the latter demanded as acting as guide. Philip entered the hotel and was followed to his room soon after by Macaboy. An altercation occurred in a corridor and a shot was fired. A clerk found Macaboy on the floor with Philip leaning over him, pistol in hand. The bullet had entered Macaboy's chest near the heart. Philip walked to his room, threw himself on the bed and was soon fast asleep, not realizing that he had fatally wounded his companion who later died at the emergency hospital.

Since his release under heavy bail Philip has been leading a quiet life at Claverack, N. Y., where the Philips have a beautiful country home.

DRACUT FARMERS

Want to Start Electric Lighting Plant

Twenty of Dracut's wealthiest and most influential citizens, mostly of the farming element, have started a movement within a few days for an electric lighting plant for the town believing that by establishing their own plant they can have better service at a reasonable cost than they are now getting.

A meeting was held a few days ago at which an expert from Boston was present who advised purchasing a gasoline engine and starting with a small lighting plant to be developed as it goes along. A committee was appointed to look into the cost of establishing a small plant and the committee will report within a short time. From the sentiment expressed at the meeting there is an abundance of capital to back the project.

JIMMY GARDNER

WRITES HE IS IN PINK OF CONDITION.

"Jimmy" Gardner is at Long Beach, Cal., and if there is one among you who thinks that because "Jimmy" lost to "Twin" Sullivan he is down and out, you could disabuse your mind of the thought by reading "Jimmy's" letter to his friend, "Andy" Gray. Jimmy says he is in the pink of condition and he allows that the man who puts it over him again will have to go some. He is booked for several engagements and the very tone of his letter to Mr. Gray, received today, suggests the Lowell boy's fitness and he says he's just hungry for a fight. He says he is right after the bacon and he will bring it home in packages. Jimmy expects to spend a few weeks in Lowell this summer.

The riding on the Lakeview and Lawrence lines was very heavy. The people were attracted to Lawrence because of the holding of the annual May Sunday procession, while at Lakeview there was a band concert. On the Lakeview line cars were run on a five minute schedule during the afternoon and evening.

All of the suburban lines were well patronized also, as were the Boston, Lexington and New Hampshire lines.

A lively crap game which was being held in Lakeview avenue beyond Aiken street was interrupted by four police officers in plain clothes about eleven o'clock yesterday morning and four of the participants were placed under arrest. In fact the quartet that was captured was so interested in the game that the officers caught them in the act of handling the bones.

The party consisted of men and boys and the four officers, Patrolmen D. Lynch, J. Kelly, Garrity and Goldrick, succeeded in getting almost on top of the players before the latter realized that anything was wrong.

FORSAKES WORLD

Maximilian's Heir to Become a Monk

WASHINGTON, May 25.—Prince Augustine de Iturbide, grandson of the great liberator of Mexico, heir to a throne, man of the world, highly educated, widely travelled and a member of the jeunesse dore of many European capitals, has forsaken the ways of the fashionable world and joined the Third Order of St. Francis.

By right of descent from the Emperor Iturbide, as well as from the fact that he was declared heir by Maximilian, Prince Iturbide would be entitled to the throne of Mexico were that country to again become an empire.

CITY OF DALLAS

Is Threatened With a Destructive Flood

DALLAS, Texas, May 25—What may result in one of the most destructive floods in Dallas and vicinity in recent years is threatened today as a sudden rise in the Trinity river. Already one life is known to have been lost, the section of the city known as the Eagle Ford road is inundated, many families being driven from their homes and the power plant of the Dallas Street R. R. Co., is under water to the first floor, cutting off all light and electrical current.

The flooded section is along sections of lowlands and the main residence and business sections o fthe city will in all probability escape the water's path. Reports of persons moving and loss of lives are being brought to the attention of the authorities but because of confusion it was impossible promptly to confirm. The property loss will be heavy. Those who were driven from their homes were forced to leave all their possessions, many of them barely escaping with their lives.

BLEW OPEN SAFE

Burglars Were Scared by Alarm—

GREENVILLE, Me., May 25.—Cracksmen who after blowing open the safe in the Canadian station at Greenville Junction early today were frightened by a burglar alarm before reaching the inner section of the safe are being traced by means of peculiar calked boot tracks. Before entering the station they stole a revolver from the office of the American Express Co. and two revolvers, several hats and some fruit from the store of the Arthur A. Crafts Co.

WAGE REDUCTION

Went Into Effect in Fall River Today

FALL RIVER, May 25.—The new wage agreement between the manufacturers and the textile council which will be in force next November became effective today. Under the agreement the 25,000 operatives accept a wage reduction of about 18 per cent. The mills here have been running on short time for several months but it is expected that the production will be increased considerably next month.

The cut in this city swells the number of cotton operatives in New England whose wages have been reduced this spring to about 170,000.

FIREMEN INJURED

At Early Morning Blaze in South Boston

BOSTON, May 25.—Six firemen were injured, more or less seriously at a fire which destroyed the paper stock warehouse of Patrick J. Graham, Ewer street, South Boston, early today. The property loss is estimated at $15,000. The firemen injured were Ladderman J. Fiavin of ladder 5, Hoseman Roland McDonald of engine 1, Ladderman Kelley of ladder 29, Hoseman Hickey of engine 2 and Hoseman Lombard and Woodman of engine 1. It is expected that all of the injured will recover.

CHAS. J. GLIDDEN

PARIS, May 25.—A number of prominent Americans interested in aerial problems attended the festival held by the Aero Club de France. J. C. McCoy, C. J. Glidden, Mr. Vanneman, F. M. Maddison and S. H. Valentine were present.

Mr. Glidden considers that it would be an excellent idea if the aero clubs of Massachusetts and New York would combine and create a joint park between Boston and New York. Mr. Valentine suggests Fittsfield.

Agitation is now going on to have a change made in the rules governing aeroplane contests. At present prize and record go to the pilot. The change desired is to have prize and record go to the owner.

SPENDING RECORD

Has Been Broken by Present Congress

WASHINGTON, May 25.—The first session of the 60th congress, just closing, has broken the record for expenditures. The billion-dollar congress of 1891 and 1892, which was roundly berated for extravagance, was an economical congress compared to those that have come and gone since the beginning of the 20th century, and it is reduced to secondary place in comparison with this one.

The appropriations of the 55th congress, which ended in 1900, made appropriations of all previous congresses look small. It beat the billion-dollar congress half a billion and some millions more. These were largely war expenditures, but all succeeding congresses have done almost as well in scattering public funds.

The congress of 1901-02 spent $1,476,000,000; that of 1903-04 spent $1,533,212,267, and the 58th congress of 1905-06 earned championship honors by breaking all records with appropriations aggregating $1,601,000,000. Its distinction was, however, short-lived. The 59th congress, of 1907-08, made the 58th and all its predecessors look cheap with appropriations of $1,800,000,000 in round figures.

MAY PROCESSION

WAS WITNESSED BY THOUSANDS IN LAWRENCE.

LAWRENCE, May 25.—The annual May procession of St. Mary's parish occurred yesterday, and brought out many thousands of spectators. For the 22d consecutive year the Rev. Fr. James T. O'Reilly led the long march, which started at 3 o'clock from St. Mary's school, on Oak street, and ended at St. Mary's church.

Two brass bands accompanied the procession, in which were 3000 children. The procession was headed by a platoon of police, which was followed by the Rev. James T. O'Reilly. The children were gowned in white. The various societies wearing colored sashes and carrying banners, flowers and emblems.

ELECTROCUTED

Hotel Man Almost Instantly Killed

BRIDGETON, Me., May 25.—A. L. Burnham, proprietor of the Lakeview house was almost instantly killed late last night while working in his cellar. It was supposed that death was caused by electrocution through the medium of an electric light bulb which he was handling, the damp floor making a "ground" for the current which is supposed to have passed through some defective part of the fixture. Mr. Burnham was 54 years of age and leaves a widow and six children. His hotel is a summer house at which many Boston and New York people spend the summer season.

PRETTY WEDDING

Alderman Takes Miss Boulger as Bride

A quiet but very pretty wedding took place this forenoon at 10.15 o'clock in the chapel at the Immaculate Conception rectory, the contracting parties being Alderman Owen C. Brennan and Miss Mary C. Boulger, sister of Police Commissioner Thomas P. Boulger. The ceremony was performed by Rev. Dennis Sullivan, O. M. I., and was witnessed only by the immediate friends and relatives of the bride and groom.

The bridemaid was Miss Mary Greene and the best man was Mr. John Kerwin. After the ceremony there was a reception at the home of the bride's sister, Mrs. John J. Doherty, 250 Rogers street. The D. L. Page company served the wedding breakfast.

Mr. and Mrs. Brennan left Lowell at noon and will spend their honeymoon in New York, Washington and Philadelphia. They will be at home to their friends at 29 Crowley street after July 1.

MOTHER AND SON

Met After 10 Year's Absence

Master John Riordan, aged 16 years, son of Mrs. Jane Riordan of Suffolk street, returned to Lowell from Ireland Saturday and saw his mother for the first time in ten years.

The boy was born in Suffolk street but upon the death of his father about 10 years ago, Mrs. Riordan took her four children to her home in Ireland to be brought up by her parents while she worked hard to support them. John the eldest, recently graduated from school and decided to come to this country to assist his mother in the support of the others. Being an exceptionally bright boy his relatives in Ireland desired him to remain and study for one of the professions, but he felt it his duty to join his mother. Their meeting Saturday was most affecting as neither recognized the other at first, the long years of separation having changed both. While at school in Ireland among his studies, Master Riordan made a specialty of the Gaelic language and he is undoubtedly the only 16 year old scholar in Lowell who can read and write the Gaelic language.

Y. W. C. A. NOTES.

In spite of the showery weather 40 association girls went to Nashua on Thursday night where the program given in Pilgrim Congregational church was thoroughly enjoyed. Miss Emma Hayes of New York, national secretary of the Young Women's Christian association, showed beautiful stereopticon views in the vicinity of Silver bay and convinced the girls present that attending a summer conference in such a spot is the ideal vacation.

Plans are being made for a church directory to be framed and hung in the hall at the association. Several of the pastors intending to have their church represented have overlooked the matter of sending in the items. It would be convenient for us to have them all at the present time.

All the members of the association and their friends will wish to be the guests of the educational classes on Thursday, May 28, when Miss Kilbrarick will tell us tales of Venice. Please save the date.

Tuesday, May 26, is the date for the closing exhibition of the gymnasium. Careful training is being given the classes, and friends of the girls are anticipating a pretty sight on Tuesday night.

KILLED HIS WIFE

Unborn Baby Also Victim of Angry Father

NEWARK, O., May 25.—Ernest Terwilger Saturday night killed his 19-year-old wife and their unborn child by choking the woman during a quarrel, and last night he was under special guards in the city prison because many infuriated citizens set about for vengeance when the crime became known.

The Terwilgers were married about a year ago, the bride being popular in her set of society on account of her beauty and social career.

Terwilger was jealous of his wife which caused a separation. Recently the pair became reconciled and went to live at the home of Charles Nutter. Saturday morning the Nutters went to call the Terwilgers for breakfast. Getting no response the door was forced and Mrs. Terwilger was found dead on the bed. Her tongue protruding from her blackened face and there were fingermarks on her throat. As Terwilger was gone, a search was begun for him. No sooner had he been arrested than he admitted that he had been out of work for some time and had taken several drinks with some friends Saturday. Returning home in the evening, he said, his wife asked him for money to buy things for the baby. He told her that he had no money for her and old troubles were revived. His temper rose to such a pitch that he threw her over the bed and choked her till she ceased to struggle.

SECRETARY ROOT

TO RECEIVE A DELEGATION FROM LIBERIA.

WASHINGTON, May 25.—Secretary Root has made an appointment to receive on Tuesday a delegation representing the republic of Liberia, which has come from the west coast of Africa to ask counsel and aid in the many troubles which have continuously beset the effort to colonize the freed slaves of America which began the latter part of the eighteenth century.

It is admitted officially that Liberia, from the standpoint of nations, is in practically a helpless and hopeless condition. Her latest tribulation is, in effect, an ultimatum from England to maintain a better government.

Although the United States is virtually responsible for the existence of Liberia, diplomatic history shows that this government has hesitated to stand sponsor for the little republic before the world.

PRESBYTERIAN ASSEMBLY.

KANSAS CITY, May 25.—While commissioners to the general assembly of the Presbyterian church rested from business yesterday various religious and evangelistic meetings were held, the most important being a mass meeting to discuss evangelism among laboring men. This meeting was held at Convention hall. Addresses were made by Rev. Charles Stelzle, and by John B. Lennon, treasurer of the American Federation of Labor.

Mr. Stelzle has mailed a personal invitation to every union labor man in the city and non-union men were also especially invited, and a large audience greeted the speaker.

Mr. Stelzle, who was formerly a union machinist, organized the department of church and labor in the Presbyterian church. This department is enlisting laboring men.

His address was a comprehensive discussion of the relation Christianity to the laboring man and a strong argument that laboring man should be Christians.

PRIEST STABBED

After He Had Celebrated Mass

SALISBURY, Md., May 25.—In the presence of 500 worshippers Father Joseph F. Lubeley, aged 33 years, pastor of St. Joseph's Catholic church, was stabbed twice with a pocketknife and perhaps fatally injured in church yesterday by Joseph Schuette, a farmer, who is believed to have become suddenly demented. A panic was narrowly averted among the communicants, many of them women.

Immediately after Father Lubeley had finished high mass yesterday, he started to leave the church. At the door Schuette rushed upon the priest from behind, and, stabbing him twice, bore the pastor to the floor. The first blow struck the priest in the temple and the second cut a deep gash in the neck, just missing the jugular vein.

The crazed man was about to stab the priest a third time when Mrs. Barbara Ginter and John Gates, both parishioners, caught his uplifted hand. In the struggle which followed Schuette stabbed Mrs. Ginter in the hand and inflicted a painful cut on Gates' arm. A dozen men then overpowered Schuette, who, struggling and fighting, was taken to jail.

Schuette has been a devout member of St. Joseph's.

TWO MAY DIE

THIRTEEN INJURED IN STREET CAR COLLISION.

OTTAWA, May 25.—Thirteen were injured yesterday in a street car collision two miles from here. Two of the injured may die. Twelve have been taken to the hospital. The two cars came together on a steep grade, where one car was stopping to leave a passenger and the other being unable to stop in time to prevent the collision.

JOHN M. BURKE

WILL NOT BE EXAMINED AS TO HIS SANITY.

NEW YORK, May 25.—The proceedings begun by Almeda E. Winters to have John Masterson Burke, the aged founder of the Winifred Masterson Burke Relief Foundation, declared insane were dismissed by the appellate division of the supreme court, and Justice Hendrick's order appointing a committee to inquire into the mental condition of Mr. Burke was reversed.

Miss Winters is a distant relative of Mr. Burke and one of his fourteen heirs. He paid for her education and took a great deal of interest in her welfare. But of recent years he has become feeble and helpless, and scarcely recognizes those around him. Some years ago he turned his estate, said to be $1,000,000, into a trust fund for the benefit of the Winifred Masterson Burke Relief Foundation, with a provision that he should continue to enjoy the income till his death.

Miss Winters alleged in her petition to Justice Hendrick that Mr. Burke was suffering from senile dementia and no longer capable of attending to his property or affairs. He lives at 18 West Forty-seventh street, with a nurse and housekeeper. Mr. Burke is now 75 years old and was never married.

Justice Scott, writing the appellate division's unanimous opinion, says that nothing is disclosed in the petition of Miss Winters to justify the supreme court "in the exercise of its sound discretion" in appointing a lunacy commission to inquire into Mr. Burke's mental condition. "There is absolutely nothing to show that he is not well cared for and comfortable," said Justice Scott. "So far as the personal condition and surroundings are concerned there is nothing whatever upon which it may be inferred that any change is desirable or that the intervention of a committee is necessary."

Referring to Mr. Burke's action in creating the trust fund Justice Scott says: "By this means he not only provided for the ultimate establishment of a worthy charity but relieved himself of all care and responsibility with respect to the management of the property, while at the same time he assured himself of a sufficient income for his needs. It requires, therefore, no committee to care for his property, and there is no suggestion that his income is wasted or misapplied.

"In our opinion it would not be the exercise of a sound discretion to disturb the plan of disposition of this carefully planned and comfortably spent old age, and no necessity is shown for further inquiry into the question of mental condition, or for the appointment of a committee."

NEW YORK MAN

Chaperon to Anna Gould and Prince

ELLWORTH CHAPMAN IS A CLERK

He Was Selected by a Law Firm

PARIS, May 25.—The most puzzled young man in Paris today is Ellsworth Chapman, known to his friends as "Chappy."

On April 30, when he went to the office of the Fidelity and Casualty Insurance Company in New York, he was asked if he was a good sailor and could leave for Europe on four hours' notice. "Chappy" replied affirmatively, and upon reaching the steamer found that he had been appointed Madame Anna Gould's "chaperon."

In this confidential capacity he has accompanied Madame Gould all the way on her roundabout journey to Paris, a journey that lasted five weeks. "Chappy" had nothing to do until Naples was reached and Prince de Sagan appeared on the scene. Since that time he has faithfully fulfilled his duties of chaperon, going with the middle-aged lovers on excursions in Italy, on moonlight drives and dining with them every night. Another duty that devolved upon him after Prince de Sagan's arrival was to pay all the bills.

"Just pay the prince's bills. I owe him some money," Madame Gould explained.

Wednesday night the official "chaperon" took his charges to dine at the restaurant des Ambassadeurs with Mr. and Mrs. Pratt of New York. Unexpectedly Prince de Sagan insisted on paying for the dinner and produced a thousand-franc note. The chaperon felt this as a slight and cabled the fidelity company for instructions. Friday afternoon he received an answer—"Do as you judge best."

Mr. Chapman decided that it was incompatible with his dignity as chaperon to continue and he will sail for New York. He states, however, that he is greatly puzzled over the proper course to pursue.

Madame Anna and her prince made their first unchaperoned excursion Saturday, going in an automobile to Versailles.

NEW YORK, May 25.—Ellsworth Chapman, the young man who has been "chaperoning" Mme. Gould from the day she left New York, is a bachelor and is between thirty and forty years of age.

He was selected for the unique position by the law firm of Nadal, Carrere & Jones, who are attorneys in this country for Mme. Gould. He was chosen because he could speak Italian, it is said, although only a clerk, had been a great traveller. He was and is still an employe of the claims department of the Fidelity and Casualty Company.

FOR PROHIBITION

BILL PRESENTED IN THE LOUISIANA LEGISLATURE.

NEW ORLEANS, May 25.—A bill was introduced in the legislature Saturday providing for prohibition throughout Louisiana, New Orleans included. Another bill introduced provides for prohibition throughout the state except in New Orleans.

Twenty-eight of the fifty-nine parishes of the state are already dry under the local option law. The indications are that a compromise measure suggested by Gov. Sanders will be adopted. This will leave the local option law as it is, but will increase the liquor license to $1000, compel liquor dealers to give bond, provide for suspending licenses and closing saloons for violation of law, prohibit the sale of liquor at groceries and prohibit wholesale liquor dealers and breweries from having any interests in saloons. Twelve hundred saloons have closed in Louisiana in the last two years and the proposed law would close about two-thirds of those now in operation.

There is no longer any doubt of the passage of a law prohibiting racetrack gambling in the state. A bill to that effect has been introduced and has the determined support of Gov. Sanders of nearly all the country members.

SENATOR PLATT

Says That Mae Wood Deserves Punishment

NEW YORK, May 25.—Another chapter in one of the most remarkable legal actions that has been heard in the New York courts in a long time, will probably begin this week, when the charges of perjury against Mae C. Wood, the former newspaper woman and lawyer of Omaha, who sued United States Senator Platt for divorce, will be laid before a grand jury. Unusual public interest has centered in the Wood-Platt case chiefly on account of the prominence of the aged senator, whom Miss Wood made the defendant in her suit for divorce. With the infirmities of age heavy upon him the senator was obliged to go upon the witness stand and to undergo cross-examination by opposing counsel.

Miss Wood's suit involved many sensational charges and it was fortified by documentary evidence until Justice O'Gorman said that it was evidence of forgery and that he believed Miss Wood had committed perjury to sustain her charge. Her case rested mainly upon a certificate which she said was given her on the night of her alleged marriage to the senator in November, 1901, and upon a copy of a letter which she insisted she received from Senator Platt, in which he appeared to acknowledge her as his legal wife. Sen. Platt's denial of the alleged marriage was supported by the affidavits of a woman, who explained the letter of acknowledgment by saying that she obtained the senator's autograph on a blank sheet of paper and gave it to Miss Wood; but it was not until the printer of the blank form of the marriage certificate testified that the form was not printed until three months after the alleged marriage, that Miss Wood's case collapsed and the justice dismissed the suit and ordered the plaintiff committed on charges of forgery and perjury.

Miss Wood was taken to the Tombs prison on Thursday. During her stay there, she has manifested cheerfulness unusual in a person committed under such serious charges and has endeavored to comfort herself by her conclusion, which she expressed at the time of her arrest, that the burden of proof now rests upon those who are prosecuting her and that it will be more difficult to convict her than to overthrow her action for divorce. For several days it appeared that the woman was without friends, but this was disproven on Saturday, when bail to the extent of $5000 was offered by a surety company. This offer could not be accepted owing to the lateness of the hour when the tender was made, but it probably will be repeated today. Rumors that Miss Wood is supported by friends who are possessed of strong resources were revived by the offer of bail, but her counsel declined to disclose their identity, and Miss Wood has made no public mention of such friends, if she has them. Although Senator Platt testified that it cost him $10,000 to get possession of the letters he wrote to Miss Wood, he has since been quoted as saying, "I am sorry for the woman, but she absolutely deserves punishment." Both he and Miss Wood are quoted as denying a rumor that the senator's agents had something to do with the offer of bail for her. But Miss Wood asserts that since her commitment she has been asked whether she would plead guilty to the perjury charge if she were paid for doing so, and that she informed her questioner that she would die in jail first.

Should an indictment be returned against Miss Wood, it is not probable that Senator Platt will be a witness.

SECOND DEFEAT

Lowell High Trimmed at Haverhill, Saturday

Lowell High lost to Haverhill High at Haverhill Saturday by the score of 10 to 5. The whole affair was simply a repetition of the Lawrence contest. Haverhill, aided by a timely batting streak, and by the errors of the Lowell players in the first and third innings, obtained such a lead on the local nine that the latter immediately became convinced that nothing could save the day.

The main trouble with the Lowell aggregation seems to be a head-strong inclination to "go up in the air" at the slightest provocation; to "lose its head" if the opposing team scores a few runs at an early stage of the contest. Saturday, Haverhill's fine start in the first inning seemed to breed dispair in the Lowell camp, the members of the team evidently feeling that it "was all off" for that day, and that not even Crowell himself could aid the Spindle City nine in winning.

Two pitchers were used for Lowell, Mahoney and Thompson. Mahoney stayed in the game for five innings, striking out six men and hitting two men by pitched balls. Thompson fanned four men, and gave the same number their bases on balls. Mahoney was touched for twelve hits in his five innings; Thompson for none.

A total of seven errors was chalked up against the Lowell men, Stevens at third getting three, Parker, centre field, obtaining one, and Thompson at short and Swann in the right out-garden each receiving one apiece.

Mahoney's stick work was effective, the Lowell lad getting two two-baggers from Brickett. McVey also was good for one double.

For Haverhill, Brickett pitched a steady game, although he permitted five men to draw free transportation slips to first. His game was errorless with six strike-outs to his credit.

The stick work of Read and Gillen was the most noticeable. The former lad has been kept from making the Haverhill team all season to date, on account of his inability to hit the ball. Saturday there must have been something the matter with him, for, at bat five times, he made three hits, fouled once and fanned once.

The result of the game Saturday has given Lawrence High a greater lead than ever in the Merrimack Valley league race, and if the Lowell team intends to land the pennant, it behooves the members thereof to keep cool, support their pitcher, and shed their wings for a time.

FIRST INNING.

Lowell went first to bat, and Thompson struck out. Foye waited, and worked Brickett for a free transportation slip, reaching second on the Haverhill catcher's wide throw to that sack. A passed ball permitted Foye to reach third. Donahue also walked. Foye, at this point, was caught napping, and thrown out—pitcher to baseman. Donahue stole second and scored on Parker's safety. Mahoney fanned retiring the side.

Vaughn was the first man up for Haverhill, and he connected safely, reaching second on Mahoney's balk. McFadden hit to Stevens, advancing Vaughn to third, but was out at first. Ryan fanned. Brickett reached bag 1 on Thompson's error. Miller also reached the initial sack on an error by Stevens, and the bases were full, with two out. All depended on Read, who hit easily, scoring Vaughn. Gillen's safety brought in Miller and Brickett, but Behan popped to McVey, and three were out.

Score—Haverhill 3, Lowell 1.

THIRD INNING.

Haverhill scored three additional runs in the third inning.

Brickett was the first member of the home team to go to bat, and he proceeded to strike out nicely. Foye, the Lowell catcher, failed to hold the third strike, but the Haverhill player was unable to beat the ball to first. Miller also failed to connect, and two were out. Now Read loomed up at the plate, and Read was the man who had brought in the first run for Haverhill, in the first inning. Read hit safely, and stole second, from which bag he scored on Gillen's single. Gillen himself went second on Swann's wide throw to McVey. Behan reached first on Steven's error. McKay hit the ball, scoring Gillen, and advancing Behan to third, who scored on Vaughn's safety. McFadden obtained a hit, but died on base, Ryan retiring the side on a grounder to Mahoney, who threw him out at first.

Score—Haverhill 6, Lowell 1.

FOURTH INNING.

Haverhill and Lowell each scored one run in the fourth. Parker was the first member of the latter team to face the pitcher, and he started the inning well from Lowell's point of view by walking. Mahoney was good for a splendid two bagger, that placed Parker on bag 3, from whence he scored on McKay's error. Stevens sacrificed, and Mahoney reached third. It looked like another tally, but McVey and Ledge both popped high ones that were gathered in easily.

In Haverhill's half of the inning Brickett and Miller both failed to beat the ball to first. Read hit cleanly and stole second. Gillen sent one to Parker who muffed it. At the crack of the bat Read had started for third, and when he saw Parker fumble the ball, he continued on his way home, scoring. Behan failed to connect and the side was out.

Score—Haverhill 7, Lowell 2.

FIFTH INNING.

Lowell did not score in the fifth, but Haverhill crossed the platter thrice. McKay made a pretty hit, and reached second on a passed ball. Vaughn sent a hot one to Stevens, who failed to handle it in time to get his man out. This placed McKay on third. Vaughn stole second. McFadden sacrificed, and McKay reached home. Mahoney hit Ryan with ball, and the Haverhill man took his base, stealing second. Brickett hit for a single, placing Ryan on third, and scoring Vaughn. Brickett stole second, and in the excitement of the moment, Ryan dashed for home in a daring steal, which was declared safe by the umpire. Miller fanned, and Brickett was put out on attempting to steal third.

Score—Haverhill 10, Lowell 2.

NINTH INNING.

Lowell scored three runs in the ninth inning, whereas Haverhill failed to score. Donahue, the first man up hit to Ryan and was out at first; but Parker let the high ones go and, as a result, received his base on balls, stealing second. Mahoney brought Parker across the rubber by his splendid two-base hit, the second of the contest. Stevens hit safely, advancing Mahoney third and stealing second. McVey reached first on a fielder's choice from second, that cut Mahoney off at plate, making two out. An error by Connor permitted Stevens to score and allowed McVey to reach second, from which plate he was brought in by Woodby's error, on which Dodge received his base. Dodge was thrown out on an attempted steal, retiring the side.

AMATEUR BASEBALL

The Fleetwings of Lilley avenue, defeated the Young Unions, Saturday afternoon, on the Aiken avenue grounds, by the score of 22 to 8. Frank Beaucage, the pitcher for the Fleetwings, struck out 19 of the Young Unions and Tom Garvey, Jr., wh seems to be a "chip of the old block" in doing things, had 13 assists without one error and his batting brought in four runs.

The lineup of the Fleetwings is as follows: Thos. Whitehead, c; Frank Beaucage, p; Napoleon Chalifoux, 1b; T. M. Garvey, 2b; Joseph Seymore, 3b; Harry Clavelle, cf; George Ricard, ss; Lexis Lessard, lf; Wm. McCabe, rf. The Fleetwings will play any team in Lowell under the age of eleven (11). Send all challenges to T. M. Gravey, 65 Lilley avenue.

The Pawtucket Colts won their fourth victory by defeating the Wannalancits by a score of 10 to 6. The feature of the game for the Pawtuckets, was the pitching of Le Bourdais who had 17 strike outs, and the pitching of Brennan for the Wannalancits. The Pawtuckets would like to challenge any team under the age of 17 years. Send all challenges to P. Mercier, 529 Moody street.

BASEBALL NOTES

Griffith's new pitcher Joe Lake is a handy boy with the stick.

It remained for the Washingtons to give the Detroits their first whitewash of the season.

One hit games have been pitched this season by Waddell, White, Raymond, Mathewson, Willis, Brown and Karger.

Bob Ehmke is still leading the league in getting out by foul tips. He stopped three with his anatomy in Cincinnati the other day.

With Chase, Niles, Ball and Moriarty lined up, the New York American infield is about the youngest in the country, and in point of natural speed it is the fastest.

Now that Overall's long string of victories has been broken he is getting shredded good and hard. However, he can afford it if he develops a similar winning streak.

This is a great season for numerous pitchers in one game, but the record for one team still belongs to McGraw, who put in six in one game against the Chicagos a season or two ago.

Pat Dougherty used to falter and fumble when he played left field for the New Yorks, but he glides around out there now at American League Park with all the ease of a finished fielder.

Griffith's pitchers are all big men except Dovle. Chesbro, Lake, Newton, Glade, Hogg, Orth and Manning make up a brawny staff. Lake, Manning, Orth, Newton and Hogg are six footers.

When the New York Nationals were in the South there was talk of McGraw putting Merkle on second base. A good many rooters for the team would like to see him try the plan now.

Always somebody is wondering whether Griffith's pitchers can go the route. If they are pitching good ball at present and are in good condition, why not as well as any other pitchers? None of them has heart disease, consumption or softening of the brain.

Since he jumped the Browns, Rube Waddell has received offers of positions aside from baseball. A whiskey firm and a brewer suggested that he go into the saloon business, "for which," says the report naively, "he has talents, it is said, that eminently fit him for the work."

In the matter of "hitless wonders" the Athletics are beginning to engage attention. They beat Boston with three hits to the latter team's seven; beat Washington with three hits to the other side's six, beat Boston with six hits to Boston's nine, and beat Chicago with two hits to the Sox's three.

The hitting in the sixteen inning game between Cornell and Michigan was out of proportion to the scoring. Twenty-five hits were made and only five runs. That's one run for every five hits. The bingles must have been well scattered. The left on base record bears that out. It reads: "Cornell, 9; Michigan, 10."

"We received the rawest deal imaginable from Hurst in New York, and neither I nor Donovan should have been suspended. It is impossible for me to stand by and not protest on decisions which every one in the park knows are unfair to us, and they were not close, either. I want to say right now that I propose to protest against such umpiring whenever it is done, and I don't care if Ban Johnson suspends me for the entire season."—Interview with Hugh Jennings.

LAST GAME

PLAYED BY TEXTILE TEAM ON SATURDAY.

The Lowell Textile baseball team played its last game of the season at Worcester academy, Saturday. Lowell was defeated by a close score of 4 to 3. The game was a close one throughout, Worcester winning in the ninth inning by bringing in two runs.

The team has done fairly well this year considering the material there was to pick from. There were few of last year's team back again and the rest were made up of freshmen. Two or three of the games were lost by the team going up in the air for an inning, before they could get steadied down. There is good material nevertheless in the freshmen and next year should bring out a strong winning team. Out of the eight games played Textile won three.

Murray proved himself to be a good man in the box. The infield was faster than usual for the school. Wenzl, captain, at first played a good game and managed the team well. Lewis, second; Hardy, third; Gale, short stop; outfield, Holden, lf; Furr, rf; and Gorman, cf; Henry played back stop and was good at getting the ball down to second. Bunce, last year's pitcher, also made his letter. The team has not got together for election of captain for next year, but will do so the first of next week.

The Edson school defeated the Butler school by the score of 7 to 3, Saturday, in a very exciting game. A very large number of spectators was present. Brown and Doole were the Battery for the Butlers, and Curtin and Breen for the Edsons.

A SPECIAL EXHIBIT OF
ZOLIUM TILE ROOFING
On Tuesday, May 26, All Day

Because of the great interest in this remarkable tile roofing, we have arranged with the manufacturers for an elaborate and complete exhibit on above date.

The interesting principle of ZOLIUM, which transforms long, impenetrable sheets of bonded fibre into diamond shaped tiles, will be graphically explained by full sized models.

ZOLIUM is the logical successor of shingles, as it is superior in every way—more durable, more attractive and a splendid fire protection.

Architects, contractors and prospective builders are invited to attend this exhibit.

OPPORTUNITY FOR FARMERS

IN VIEW OF THE HIGH PRIC E OF BEEF AND OATS IT WOULD SEEM THAT THERE IS A GREAT OPPORTUNITY FOR PEOPLE WHO ARE ENGAGED IN FARMING IN THE VICINITY OF LOWELL AND OTHER NEW ENGLAND CITIES TO MAKE MONEY IN RAISING OATS AND PRODUCING THEIR OWN BEEF. THERE WAS A TIME IN THE PAST WHEN MARKET MEN GOT THEIR BEEF FROM LOCAL SLAUGHTER HOUSES. BUT SUCH A THING IS NOW UNKNOWN. IF FARMERS MADE UP THEIR MINDS TO RAISE CATTLE FOR SLAUGHTER IN THE HOME MARKET, THERE IS NO REASON WHY THEY COULD NOT MAKE MORE PROFIT THAN THEY DO BY DISPOSING OF THE CATTLE OR BY KEEPING THEM FOR DAIRY PURPOSES. WITH BEEF AT TWENTY TO THIRTY CENTS A POUND IT CERTAINLY SHOULD PAY FARMERS TO RAISE FATTED CATTLE TO SUPPLY THE HOME MARKET.

THE TRUST HAS GONE TO SUCH EXTREMES THAT THERE IS A GREAT OPPORTUNITY FOR INDEPENDENT MEAT COMPANIES. IN REGARD TO OATS THERE IS NO CROP MORE EASILY RAISED IN THIS STATE, AND AT THE PRESENT PRICE OF 75 CENTS A BUSHEL, THE PROFITS SHOULD BE LARGE. WHAT IS TRUE OF OATS AND BEEF IS EQUALLY TRUE OF VARIOUS OTHER COMMODITIES THAT HAVE REACHED TOP-NOTCH PRICES AND CAN BE SUCCESSFULLY PRODUCED ON THE FARMS IN NEW ENGLAND.

THIS WOULD SUGGEST A MOVEMENT BACK TO THE FARMS, AND CERTAINLY THERE IS A GREAT OPPORTUNITY TO TURN MUCH OF OUR WASTE LAND INTO PROFITABLE FARMS. ALL THAT IS NEEDED TO ACCOMPLISH THIS OBJECT IS ENTERPRISE AND A LITTLE CAPITAL.

THERE ARE MANY PEOPLE OF THE OPINION THAT THE BUSINESS DEPRESSION HAS BEEN MANUFACTURED BY CERTAIN FINANCIAL INTERESTS. IF THAT BE SO, IS IT NOT APPARENT THAT THE OTHER FINANCIAL AND INDUSTRIAL INTERESTS SHOULD BE ABLE TO MANUFACTURE A LITTLE PROSPERITY. THEY CAN DO IT BY PUTTING ASIDE ALL CALAMITY HOWLING, ALL PESSIMISM AND GOING AHEAD SO AS TO INSPIRE CONFIDENCE AMONG THE WEAK-KNEED. THERE ARE ALWAYS CROAKERS, ALWAYS QUITTERS, MEN WHO IN BATTLE WOULD MISTAKE SHADOWS FOR DEADLY ENEMIES AND BEAT A HASTY RETREAT. THERE IS NO REASON WHY WE SHOULD HAVE A DEPRESSION IN THIS COUNTRY WHERE ALL THE REQUISITES OF PROSPERITY ABOUND ON EVERY HAND. WHAT IS NEEDED IS COURAGE AND CONFIDENCE TO GO AHEAD. LET EACH DO HIS PART TO IMPROVE BUSINESS BY ENTERPRISE, COURAGE AND CONFIDENCE. THERE IS NO REASON WHY A LITTLE CLOUD ON THE HORIZON SHOULD BE REGARDED AS PROTENTIOUS OF COMING DOOM.

A FOOLISH PARENT

DOWN IN MALDEN THE FATHER OF TWO CHILDREN WAS CALLED TO THE SCHOOL WHICH THEY ATTENDED TO EXPLAIN THE ABSENCE OF THE CHILDREN FOR ABOUT TWO DAYS A WEEK.

IN THE INQUIRY THAT FOLLOWED THE FATHER GOT EXCITED AND IT IS SAID STRUCK THE PRINCIPAL OF THE SCHOOL A BLOW ON THE NOSE. IN THIS CASE THE PRINCIPAL HAPPENED TO BE A MAN, BUT EVEN SO, THE OFFENCE WAS A VERY GRAVE ONE. ANY PARENT WHO WILL NOT FULLY AND CORDIALLY CO-OPERATE WITH THE TEACHER OF HIS CHILDREN IN THE ENDEAVOR TO PROMOTE THEIR ADVANCEMENT IS A FOOL. THE TEACHERS ARE VERY RARE WHO DO NOT TAKE A REAL INTEREST IN THE EDUCATION OF THEIR PUPILS, AND IT IS VERY DISCOURAGING INDEED TO ALL SUCH TEACHERS TO FIND A PARENT SO DENSE AS TO BE UNWILLING TO GIVE HIS HEARTY CO-OPERATION EVEN TO THE EXTENT OF COUNSELING CHASTISEMENT FOR MISDEMEANORS AS DISCIPLINE IS IN ITSELF OF GREAT VALUE TO CHILDREN.

Dan Walker was a town character. He had been a follower of the flag in his time and the monthly arrival of his pension money meant a protracted spree. This, in his mind, partially repaid him for sufferings on the field that had left one-half of his body paralyzed. During these orgies he would topple around from saloon to saloon, his useless left leg but poorly sustaining him, while his left hand, useless and limber, wagged in the wind as he floundered along like a winged chicken trying to fly.

On this particular occasion it was past midnight when the town marshal found Dan making night hideous on a side street. Grasping the offender by the coat collar he slammed him up against a lamppost and thundered:

"Dan Walker, you go home! Go home this minute and stay there until you are sober. If you don't I'll run you in! Do you hear?"

There are about 60 more, but these are more than enuf for wun parragraf."—Ogemaw (Mich.) Republican.

Now is the time when one man with a hoe comes to his own, the same being the peripatetic city gardener who goes around looking for jobs fixing up back yards, digging up the flower beds and trimming up the shrubs and setting out the plants and fixing things up generally, for there are still city back yards, in which green things grow, and this particular man with a hoe knows where to find them. He is now making his rounds and getting at least something out of it.

And it might be mentioned that at this time of year the man with a spade and a horse and wagon also gets a slight takeoff out of the turf he brings in from open lots in outlying districts wherewith to resod city grass plots.

"Many a girl who formerly shut herself up in an air tight booth when telephoning and almost stopped up the cracks in the door for fear somebody would hear what she had to say, has taken to telephoning in the open," said a drug clerk. "The things she says now are probably just as important as the things she used to say, but the girl can't get inside the booth to say them. It is her hat that keeps her out. It won't go through the door. Fortunately we have an unenclosed phone besides the two in booths. If we hadn't that we would lose the biggest part of our telephone trade—the biggest part of the female trade, that is. Down in the next block is a store that has no open telephone. The clerks say hardly a woman customer has used their telephone for weeks. Of course the ladies could take off their hats while telephoning, but it would be so much trouble to put them on again that they prefer walking on a few blocks till they find a phone with plenty of space around it."

Make haste to school, my little child,
Or else you will be late;
Your books are all aseptic now,
And here's your sterile slate.

Your pencil has been boiled an hour—
'Tis germless now, I hope;
And don't forget to wash your desk
With this carbolic soap.

And lest about the schoolroom floor
Some unseen microbes lurk,
Just sprinkle formaline around
Before you set to work.

You'd better put, for safety's sake,
Bichloride in the ink;
And water that has not been boiled
You must not dare to drink.

Of course, when recess comes around,
Some food you'll want to munch,
So in this disinfected box
Is predigested lunch.

And since 'tis said that in a kiss
Bacteria may dwell,
I may not give you, as I'd like,
A mother's fond farewell.

EDITORIAL COMMENT

WHY SMALL MEN?

New York World: What is there in American history to suggest that the vice-presidency is a small man's office? Twenty-six men have been elected to it. Eight of these, a fraction less than one-third, have subsequently become president—Adams, Jefferson and Van Buren by election; Tyler, Fillmore, Johnson, Arthur and Roosevelt by the death of their predecessors. Mr. Roosevelt was re-elected after serving the term of his predecessor, making four of the twenty-six so promoted by the public vote. Of the eighteen vice-presidents who have not afterward become president, not more than four or five could have been called small or obscure candidates when named: Geo. Clinton, Calhoun and Breckinridge bulked big in the political history of their times; Jackson, Colfax and Wilson were widely known popular idols; Aaron Burr and Elbridge Gerry are in their very different ways not likely to be forgotten. Geographical considerations will not be ignored in the nomination of vice-presidential candidates this year; they never have been. But no great political party should name for the presiding officer of the senate of the United States, and the possible president, a man who is not distinguished by character, capacity and wide public confidence.

WHO SHALL TEACH OUR BOYS AND GIRLS?

Manchester Mirror: In his address before the congress of mothers at Bloomington, Ill., Francis Blair, state superintendent of public instruction, made a vigorous plea for better teachers and added: "It ought to be more important who shall teach the boy and girl than who shall be congressman—aye, more important than who shall be president of the United States."

OPPORTUNITIES SLIPPING BY.

Commercial Bulletin: For example, Special Agent Clark of the department of commerce and labor, in announcing the results of his investigations in Japan, says:

"The Japanese market for cotton piece goods has not been cultivated by our manufacturers nor by our commission merchants. On most lines no effort has been made. A representative of one of the largest American importing houses told me he had not seen an American cloth salesman for three years, but he could hardly attend to his business because of the swarm of English salesmen continually wanting to show him new samples and quote him latest prices.

PEOPLE OF NOTE

Before becoming president of the United States James Buchanan had had a long and respectable career in the public service as congressman and senator for twenty years, as minister to Russia and to Great Britain, and as secretary of state. He is the only Pennsylvanian that ever sat in the presidential chair.

State Game Warden Pierce and Deputies Ash and Frost of Sault Ste. Marie claim to have unearthed evidence of a wolf bounty bunco game in Chippewa and Luce counties which overshadows any other affair of the kind that has come to light. As charged it is simply the maintaining of a system for curing coyotes' scalps from the far west, where coyotes can be killed as easily as rabbits in this country, and presenting them for the wolf bounties at the offices of the county clerks. It is believed that the plan has been worked for some time, and that the two counties have been defrauded of considerable sums.

Col. George Alfred Miller, a member of the law firm of Carter, Ledyard & Milburn of New York, died Friday at his home in Montclair as a result of a stroke of apoplexy sustained two weeks ago. He was born in New York on August 30, 1853, was graduated from Columbia college and Columbia law school and began the practice of law.

He joined the Twenty-second regiment and rose to the rank of lieutenant-colonel. He served in the strike riots of 1877 and later was transferred to the Twelfth regiment, from which he retired about ten years ago.

He was professor of law in the Metropolitan Law school for several years and left that post for a similar one in New York university. He retired a year ago and the faculty and students gave him a dinner and a loving cup.

He had lived in Montclair for thirty years and was one of the charter members of the Montclair club. He was defeated for congress on the democratic ticket in 1902. He leaves a widow, who was Miss Julia Wainwright of Boston, and two children.

AUTO CLUB MEN

TO HAVE A CONFERENCE WITH THE GOVERNOR.

The question of patrol by the state militia of the motor race course in this city and Tyngsboro, July 4, is to be carried to the governor. The question of course patrol is the only stumbling block that the Lowell Automobile club has stacked up against. The adjutant general has been interviewed relative to the affair and he declined to order the militia on patrol duty. It seems that the adjutant general believed that the proposition was for the benefit of individuals. It was not made plain to him that all of the money over and above the running expenses of the race will be turned over to the city of Lowell and the town of Tyngsboro for permanent improvements in the highways.

Now the matter is to be taken up with the governor and an interview has been arranged for noon on Tuesday.

TWO ALARMS

BUT LITTLE DAMAGE WAS DONE BY FIRE.

There was a telephone alarm yesterday forenoon for a small fire in a clothes closet in a house in South Whipple street, occupied by John Fahey. The damage was slight.

Yesterday afternoon an alarm from box 125 summoned a portion of the department to a place in Suffolk street where there wasn't any fire. Smoke issuing from a chimney led some one to believe that the place, a bakery, was on fire and the alarm was sounded.

FOOD AND CANDY SALE.

The teachers of the primary and kindergarten departments of the Dover street school held a food and candy sale Saturday afternoon and realized about $75. The proceeds are to be used in beautifying the grounds surrounding the school building.

LOWELL GAS LIGHT CO. LECTURES.

Someone once said:

"We may live without poetry, music or art,
We may live without conscience, live without heart,
We may live without friends, we may live without books—
But civilized man cannot live without cooks."

Assuming such to be the case, Miss Webber will, on Tuesday and Thursday afternoons, at 3 o'clock, at John street Appliance store, before the ladies, tell how and show how, the following:

Casserole of Beef
Planked Eggs.
Cream Baskets.
Cream Filling.
Plain Paste.
Cherry Cakes, White Frosting.

On Friday afternoon at 4 o'clock, she will repeat before the gentlemen, the lecture of last week, this by request. The program is:

Planked Steak.
Welsh Rarebit.
Grape Punch.

There will also be a demonstration of the instantaneous water heater, which, next to a man's wife, will prove the best thing in the house—and it doesn't talk back, even when warmed good and hot.

THE IRISH LEAGUE

Convention to be Held in Faneuil Hall

ON SEPT. 22nd AND 23rd

Messrs. Redmond and Devlin to Attend

BOSTON, May 25.—Boston has been chosen as the place for the holding of the next biennial national convention of the United Irish league of America. The national committee of the organization, numbering some 75 members, have voted with practical unanimity in favor of holding the convention in this city, and accordingly Sept. 22 and 23 have been selected as the dates for the gathering, which will take place in Faneuil hall.

John E. Redmond, the Irish parliamentary leader, and Joseph Devlin, M. P., for West Belfast, one of his leading colleagues, have notified the national officers of the American organization that they will come out to attend the convention. Information to that effect was received by cable from Mr. Redmond yesterday by the national officers of the American organization that they will come out to attend the convention. Information to that effect was received by cable from Mr. Redmond yesterday by the national president, Hon. Michael J. Ryan of Philadelphia, and the national secretary of the American league, John O'Callaghan.

The convention is expected to be one of the most important in the history of the Irish movement in this country, as on its deliberations will turn much that is of vital importance in the further progress of the struggle for home rule in Ireland.

The Faneuil hall convention will be the fourth o fthe United Irish league of America to be held since it was established, the constitution providing for a convention every two years. The first was held in Faneuil hall in 1902 and was attended by John Redmond, John Dillon, the late Michael Davitt and Edward Blake, then a member of the Irish party, but since retired on account of ill-health. The subsequent conventions were held in New York and Philadelphia.

Since Mr. Redmond was last in America he and his party have succeeded in winning most important measures of reform for their people, an act providing for the building of homes for some 25,000 working men, a bill providing for the tenants in towns advantages similar to those already won for the farmers in the rural districts, and the university bill, which is now regarded as certain of enactment, which wil provide for the higher education of the Irish youth, are only a few of the measures which the Irish party has succeeded in winning within the last two or three years.

The Irish council bill, which was rejected last year, on the advice of Mr. Redmond as being insufficient, was likewise a measure of large proportions, and had it been accepted would have wrought considerable change in the conditions of Dublin castle government in Ireland. The basis of the measure was so defective, however, especially from the standpoint of its constitution, that it was deemed wiser to reject it and not compromise the full claims of the country to national self-government by its acceptance. Already the liberal party has been committed to make complete home rule one of the leading issues at the next general election, which justifies completely the action of the nationa convention which rejected the council bill.

FIRE IN ATHOL

All Occupants of Buildings Escaped

ATHOL, May 25.—Two buildings in which were five stores and a number of tenements were burned yesterday. Some of the occupants of one of the buildings had to be removed through the windows, but all escaped safely. The fire started at 12.30 yesterday a. m. in a three story wooden building, owned by Robert J. Simpson, occupied on the ground floor by the stores of William H. Hobbs, drugs, George R. Paige, insurance; Johnson and Bliss, meat market, and F. R. Hanson, barber shop. The upper stories were occupied by tenements. This building was practically consumed, while a story and a half wooden structure belonging to the Charles H. Tyler estate and occupied by the grocery store of Arthur H. Bowker, was also burned.

The tenements in the Simpson building were largely used for families and many of them were asleep at the time and had to be removed. Two women, who were unable to make their exit by the stairway were taken down ladders by the firemen. Ray Cole, who was one of the first to reach the burning building, was partially overcome by smoke while trying to arouse the occupants. He was not seriously injured, however.

The total loss on the building and the contents including stocks of goods is estimated at $40,000.

At one time it was feared that the flames would spread over the buildings, but at 1.40 the fire was declared to be under control.

New Priests Celebrated Mass

CELEBRATION AT ST. MARY'S

Notable Service at St. Patrick's Church

Rev. Edward Strauss, O. M. I., who was ordained to the priesthood last Thursday at the Tewksbury novitiate, celebrated his first solemn high mass at the Sacred Heart church yesterday before a large congregation. He was assisted by Rev. Bernard Fletcher, O. M. I., as deacon; Brother James McDermott as sub-deacon, and James Mahan as master of ceremonies.

The music was given by the sanctuary and church choirs, with Mrs. Adelaide Muldoon at the organ. At the offertory "Juravit," composed by Archbishop O'Connell, was sung by Mrs. Muldoon. The sermon was preached by Rev. John O'Brien, O. M. I., assistant pastor of the church. He spoke upon the gospel of the day for a time and then entered upon a discourse about the sacred duties of the priest.

In the congregation were the mother, brother and sister of Fr. Strauss, O. M. I., from Hamburg, N. Y. Rev. Frs. Smith and Barrett were in the sanctuary during the mass.

AT IMMACULATE CONCEPTION.

Rev. James Haggerty, O. M. I., one of the two young Oblates ordained last Thursday, sang his first high mass at the Immaculate Conception church, yesterday. He was attended by Rev. John M. McRory, pastor; Rev. John P. Reynolds, O. M. I., preached on the seventh article of the apostles' creed—"from thence he shall come to judge both the living and the dead." Fr. Reynolds after explaining the article, spoke briefly about the priesthood, its duties and responsibilities.

The choir directed by Mrs. Hugh Walker, sang Kumin's mass. At the offertory Miss Catherine L. Mullen sang an "Ave Verum" and at the close of the mass Mrs. Walker played "Tu es Petrus."

At the conclusion of the service Fr. Haggerty imparted his blessing to the congregation.

OBSERVE MEMORIAL DAY.

At St. Patrick's church, yesterday, at high mass Rev. John J. McHugh, who celebrated the mass referred to the coming of Memorial day and the soldiers who gave their lives for their country. He asked all Catholics to pay a special tribute to the dead on the holiday.

Yesterday was the regular communion day for the Sacred Heart sodality and the members received communion in a body at the 8.30 o'clock mass.

The members, as usual, made a fine appearance. The music for the mass was furnished by the sanctuary choir. Mr. John J. Kelty presided at the organ.

A rummage sale will be held on Thursday of this week in aid of St. Patrick's table at the coming bazaar to be held in Mechanics hall in Boston in October.

ST. PETER'S CHURCH.

High mass at St. Peter's church yesterday was sung by Rev. W. Geo. Mullin and a very instructive sermon on "Prayer" was preached by Rev. Daniel J. Heffernan.

Next Thursday, the feast of the Ascension, masses will be celebrated at 5, 7, 8 and 9 o'clock, with vespers and May devotions in the evening at 7.30 o'clock.

This evening in the Fair hall the final details for the parish reunion Wednesday evening will be arranged. Committees of the ladies and gentlemen of the parish will hold a meeting at 8.30 o'clock.

ST. MARY'S CHURCH

An immense throng of French Catholics journeyed to South Lowell yesterday to witness the beautiful religious services incidental to the blessing of the bell steeple and cross of St. Mary's chapel. A flag pole and flag presented by the Artisans society were also raised over the chapel with due ceremony.

At 2 o'clock, the Artisans and the parishioners marched in a body from the church to the electric car bridge at Wigginville, there to meet the clergymen who came to participate in the ceremony. These were Rev. Fr. Campeau, O. M. I., pastor of St. Joseph's parish; Rev. Frs. Lefebvre, Dubreuil, Amyot, Viaud and Barrett, O. M. I. Rev. Frs. Lefebvre and Campeau were the special guests of the day because they were the founders of St. Mary's parish.

The procession was headed by Fred Theriault, chief marshal, followed by the following aids on horseback; Alexander Pelletier, chief of staff; J. J. Rochette, Albert Morin, Amable Lacombe, George Marchildon, Eugene Coutu and Athanase Coutu.

Following the staff, came a large delegation of the boys of the parish, carrying small flags in their hands. The Artisans followed, bearing banners and flags, after them coming good-sized delegations from the following societies: Union St. Joseph branches St. Louis, Pawtucketville and St. Joseph's of the Artisans, Courts St. Antoine and St. Paul, C. O. F., and Union Garin Nationale.

The Gardes des Saints-Anges, headed by Major William Trottier, and the Gardes des Saints-Anges drum corps came next, followed in turn by the Garde d'Honneur of L'Association Catholique. Between the two military guards, forming guards of honor, the new cross to be placed on the steeple was borne. The choir boys of St. Mary's chapel, together with many from St. Joseph's and St. Jean Baptiste churches; he reverend Marist brothers and the clergy formed a cortege to the cross, bringing up the rear.

The services including a sermon and benediction took place in the open. Rev. Fr. Lefebvre, blessed the cross and Rev. Fr. Campeau blessed the flag pole and steeple. Rev. Fr. Viaud, standing upon the church steps preached an eloquent sermon on "The Cross." After benediction addresses were made by Frs. Campeau and Lefebvre and Arthur Beaucage, representing the laity.

FR. LEFEBVRE'S JUBILEE.

The French American Federation held an assembly yesterday to put the finishing touches to the organization of the June fetes which are to mark the golden jubilee of Rev. Fr. Lefebvre, O. M. I. The different committees reported. The committee on music reported the engagement of two bands, the American and National, for the procession. Divers other matters came up. Maxime Lepine presided. The last assembly before the event will take place on June 14.

A THOUSAND MARCHED

In St. Michael's May Procession Yesterday Afternoon

And 10,000 People Crowded the Streets Along Line of March—A Strikingly Beautiful Religious Event Carried Out With Complete Success

The celebrated May procession at Lawrence is no longer the centre of attraction for the Catholics of Lowell and vicinity on the third Sunday in May, for that of St. Michael's parish, Centralville, has now become the attraction to which all roads lead on that day and yesterday's annual event was the greatest and most successful in the history of the parish and was reviewed by a crowd of about 10,000 people. Hundreds who went to Centralville to view the procession were unable to stand the oppressive heat and the immense gathering and reluctantly retraced their steps and even then the police were kept busy along the line of march keeping the crowd back sufficiently to allow the processionists to proceed along the street.

The procession and the services incidental thereto were in charge of Rev. Dennis F. Murphy, ably assisted by the Dominican Sisters of St. Michael's parochial school and the clergymen of the

parish and surely a more strikingly beautiful religious event was never held in Lowell.

There were 1950 children and adults in line, the children most beautifully gowned in delicately colored raiment, the garments were of most attractive design. The procession formed in Sixth street in front of St. Michael's church and proceeded through Read street, to Third, to Bridge, to Sixth, to the church, where the crowning of the Blessed Virgin and benediction concluded the event. Street car traffic was entirely suspended during the procession on the Dracut Centre and Christian Hill line so dense was the crowd. As the procession moved along the line of march the sanctuary, children's and sodality choirs alternated in singing hymns to the Blessed Virgin. At the ceremony of crowning the Blessed Virgin Rev. Fr Murphy officiated and later little Misses Grace Donehue and Lillian Schermerhorn were crowned Queens of the May. The day's exercises closed with benediction at which Rev. John J. Shaw was celebrant, assisted by Rev. Eugene Carney, deacon and Rev. Francis Mullin, subdeacon. Rev. Dennis F. Murphy, master of ceremonies. As the clergymen left the altar, choir and congregation sang "Holy God We Praise Thy Name."

PROCESSION NOTES

St. Michael's May procession has become as big an attraction for all classes, as the May procession in Lawrence. In point of attendance yesterday's procession rivalled the night before Fourth celebration in Centralville, last year.

There was absolutely no disorder despite the fact that the day was most sultry and the crowd immense. The only difficulty experienced was keeping the crowd back to give the processionists room to proceed. This, however, was due to the size of the crowd, rather than any intentional attempt at annoyance.

Rev. Fr. Shaw, the zealous pastor of St. Michael's, was the recipient of many nice compliments and words of congratulation on the beauty and solemnity of the procession.

One of the most picturesque figures in the procession, was little "Jack" Meagher, the handsome and precocious son of Dr. M. J. Meagher, who appeared as "John the Baptist." Jack moved along with a gentle dignity that finely befitted the character he was assuming, until he reached his home, where upon espying his parents on the piazza, he suddenly forgot his saintly role and let out a war whoop, lest the folks would overlook him as he passed.

Another very attractive little figure was Miss Marion McLaughlin, the golden haired daughter of Mr. Edward P. McLaughlin of Bridge street, who with golden crown and pink gown was an angel in fact.

Centraville should feel proud of its children for on all sides the expressions: "Where did they get so many beautiful children," was oft repeated as the procession passed.

Many of the windows of the houses along the line of march were lighted with candles and adorned with flowers, and the colors of the Blessed Virgin, blue and white.

At the residence of Dr. M. J. Meagher, the balcony front was covered with blue and white bunting, while a statue of the Virgin adorned with flowers, occupied the centre.

In front of the parochial school, a shrine to the Blessed Virgin was erected.

MEMORIAL SERVICE

Held by G. A. R. Posts in First Congregational Church

REV. GEORGE B. DEAN,
Orator of the Day.

Oration Delivered by Rev. George B. Dean of St. Paul's Church—Death Roll of the Various Posts

The annual memorial service of the G. A. R. posts of Lowell was held at the First Congregational church yesterday afternoon. The orator of the day was Rev. George B. Dean. Jeremiah Dacy, commander of Post 120, was chairman. The commanders in charge of the other posts were Earl A. Thissel of Post 42, and Amos Winters of Post 185. The music was by the full choir of the First Baptist church, and the American orchestra. The soloists were Mrs. W. H. Pepin and Joseph H. Heathcote.

"Onward Christian Soldiers" was the opening hymn. There was a selection by the orchestra and then came the anthem "Glorious Is Thy Name" by the full chorus and orchestra. The Scripture reading was by Rev. B. A. Willmott, and the invocation by Rev. A. P. Wedge. Then followed the roll of the dead.

"Memorial Day" was sung by Mrs. W. H. Pepin, Mrs. W. I. Hervey, John A. Wilby and J. H. Heathcote; and then Rev. A. C. Ferrin read the address of Abraham Lincoln at Gettysburg, Nov. 19, 1864.

Rev. J. Wilbur Stephan offered prayer after which the choir sang the "American Hymn," with Mr. Heathcote as soloist.

Mayor Farnham's name was on the program for an address but he sent word that he couldn't come and Councilman Wainwright filled his place, speaking of the Civil war, the causes that lead up to it, and the bravery of the northern soldiers, etc. The councilman made a fine impression and showed great familiarity with his subject.

The oration by Rev. George B. Dean touched the sympathies of the veterans and met their hearty approval. It was in part as follows:

"On the field of Gettysburg, Lincoln recognized that you men had not completed the battle. No battlefield ever wins a complete victory. If you will go over the history of your country you will find that the very principles for which men fought are the principles at stake today.

"Our forefathers rose up against the tyranny of a foreign power. Their spirit was expressed in that famous doctrine of Monroe's issued a few years later. It was simply this: 'America for Americans.' The only way by which America can be conquered by a foreign power, is by immigration. My contention is not against the immigrant who comes to our shores. He is welcome. My contention is that when the immigrant gets come, he should become an American. Welcome the foreigner, but make him an American.

"The prime cause of the Civil war was secession. When American citizens dared to fire on the flag, it was no wonder that you rose up as you did. It is a fact that that great cause for which you went to war is one that still faces us. The war had been declared closed, when Booth shot Abraham Lincoln. That bullet was aimed at the flag, as well as the cannon ball at Fort Sumter. The cause of the war was not over.

"In the time of peace we do not look for bullets and cannon balls as much as for ballots. What think you of a man who, knowing or believing what is the best thing for his country, will cast his ballot for that which he knows is for the destruction of his country. It is Booth, aiming at the flag. In the time of peace, a man who will plunder the municipal treasury or the state or national treasury, should be dealt with as a traitor. It is a disgrace upon all of us who countenance his infamy.

"That Civil war was soon turned into a war against slavery. The educated conscience of today rebels against all that represents slavery. I have my protest against the employer of men who take advantage of men's necessity to make them work at a pov-erty wage or starve; and against the union man who takes advantage of the man who cannot afford to give higher wages, and compels him to do it or stop the wheels. I protest against the employment of children in the southern mills and in the coal mines.

"Is it right that one class should rule, abuse and use another class, just because they have got a little something that is not really theirs? Over 40 years ago you went to the war to answer that question. You answered it. Since that day, the land of Washington and of Lincoln has become too sacred to have within it any sort of slavery that man ever dreamed of or can devise. We must see to it that every man, woman and child who walks beneath the folds of this flag has liberty in letter and in spirit. Already, there is a wave arising that shows us that moral issues are at the front. There is a wave that shows a determination that the rum power shall no longer throttle legislation. We have much to be thankful for. What we need now is a genuine revival of good citizenship. We must raise the standard of politics and bring it nearer to the standard of Christianity."

"America" was first read by Rev. O. C. S. Wallace, then sung by the audience, standing, and the chorus choir, with orchestral accompaniment.

Rev. E. Victor Bigelow pronounced the benediction, and the Grand Army men left the church followed by the audience.

The day's program was as follows:

The Sanctuary choir of St. Patrick's parish trounced the Y. M. C. I. of the Immaculate Conception in the third game of the Catholic League series on the North common, Saturday afternoon by the score of 19 to 12. This victory for the Acre boys gives them the first place in the standing of the league.

In the first inning the young men of Belvidere scored three runs but when the choristers got going nothing but a stone-wall could have stopped them; they gave Rogers, the pitcher for the young men, the worst drubbing he ever got.

Mills the right fielder of the Sanctuary choir team, was the star of the game. He accepted five chances in the field without an error, while at bat he made a home run with two men on bases. Connell, pitcher for the choir team, had ten strike-outs to his credit, while Rogers didn't have one.

MARATHON RACE

TIME MADE IN THE EVENT IN ENGLAND.

The English Midland Counties Marathon, the first full twenty-five miles covered on a road in the recent trials, took place a couple of weeks ago under the auspices of the Birchfield Harriers. The course was near Coventry on the old Chester road. Out of an entry list of thirty-nine there were but seven absentees, the most prominent being F. Appleby of the Herne Hill Harriers.

The roads were dry, but the runners were greatly interfered with by motorists and cyclists. After about nine and a half miles J. Price of the Small Heath Harriers went into the lead and kept it to the finish, winning by two miles and a half or thereabout. Price is 25 years of age and works in a gas furnace nightly for a living. Following is the placing of the first seventeen:

Clinton, both of whom are members of the Automobile Club of America, had been appointed members of the A. A. A. racing board. Mr. Graves is one of America's pioneer motorists, and Jenatzy drove Mercedes racers in two of the Vanderbilt cup races for him. Mr. Graves had been a member of the Automobile Club of America for about two years before the A. A. A. was formed. Mr. Clinton is manager of the publicity department of the Association of Licensed Automobile Manufacturers.

John Kane Mills of the Automobile Club of America gives the following advice regarding acetylene lamps: "If acetylene headlights or lamps do not give as much illumination as the amount of gas in the tank would warrant motorists should be sure that the tips of the burners are pointed fore and aft with the car. This gives a flame that is athwartships of the car, which will emanate more light than any other position of the flame."

THREE KILLED

In Electric Car Accident in Philadelphia

PHILADELPHIA, May 25.—Three persons were instantly killed and at least five others were so badly injured that there is no hope for their recovery, and forty-five were seriously hurt in a collision between trolley cars on Germantown avenue, near Chestnut Hill, a suburb in the northern section of the city, late last night. The only body thus far identified is that of Mrs. George D. Wagner, aged 65 years, of Cornwell, Pa.

The bodies of an unidentified woman about 60 years old, and an unidentified man about 45 years old, are in a hospital near the scene of the accident.

Forty-five persons were taken to the Chestnut Hill and Germantown hospitals each of which is several miles from the scene of the accident and many were taken away in automobiles by the wealthy residents of the exclusive district of Chestnut Hill.

They were treated by private physicians and in consequence details about the injured cannot be obtained.

Among those dangerously injured was George Wagner, whose wife was killed. Alexander McKay, aged 45, who has a wooden leg had the artificial member jammed into his body and he cannot live, it is said.

The accident was caused by a car jumping the track while going down a steep grade not far from Chestnut Hill. The car swung across the other track and was struck by a car on that track. Both cars were filled with passengers.

SNELL LETTERS

WOMEN REQUESTED THAT THEY BE PUBLISHED.

CLINTON, Ill., May 25.—Clinton women are so deeply stirred by the constant menace that the names of young matrons of the city will be involved in the notorious Snell will case that they will make an organized appeal to the lawyers in the $1,500,000 will case to throw all the correspondence open to the public and let those women suffer who are guilty of indiscretions. This will remove possible suspicion from women who never wrote to Col. Snell nor became entangled in his love affairs.

Miss Nettie MacArthur, president of the local chapter of the Daughters of Rebecca, said this evening that she favored action by her organization in the direction of a complete cleaning out of Clinton, so far as the will contest is concerned. She believes the names of the women who accepted money from Snell or who wrote fervid letters to him should be produced in court and the names made public.

It was admitted by one of the lawyers that three women, aside from the wife of the Rev. E. A. Hamilton and Mabelle Snell, are involved in the letters found in the old man's trunk after his death. Edward J. Sweeney, of counsel for Richard Snell, the contestant of the will, denied that any woman or women had urged more publicity in connection with the letters.

The Rev. Mr. Hamilton's wife, who is the alleged authoress of many of the letters received by Snell, was a member of the Daughters of Rebecca when she lived in Clinton, while her husband was pastor of the Methodist church.

There is a revival of the talk heard at the first trial that the government may prosecute the writers. Post office inspectors are here working on the case, it is said, and the letters may be given them after the lawyers in the will case have used them.

The characters of many are attacked in the Mabelle Snell-McNamara letters. References to her rivals, said to have been made by Mabelle, have caused the greatest anxiety. They are hoping something may happen to exclude the letters from court.

BILLERICA

"Friendship" camp on the banks of the Concord river near North Billerica was broken into and looted Friday night, a number of kitchen utensils and an American flag, six by nine feet, taken.

An entrance was effected by prying off the staple on the lock of the door with a screw driver.

The camp is occupied by a number of young men, members of the Y. M. C. I. of Lowell. The flag which was stolen had been presented to the campers by Congressman Butler Ames.

An attempt was also made to break into the I. O. O. F., M. U. camp nearby, but it was not successful.

STAR THEATRE

Joe Ellis, the funny Dutchman, has comedy that will make most any audience scream with laughter. He is an up-to-date tickler with up-to-date jokes and songs in German dialect. The illustrated songs sung by J. C. Bell and Babe Curry are new to Lowell as illustrated songs. They are popular and catchy.

The latest in moving pictures, Miles Brothers' productions, will be seen to best advantage.

This house is cool and comfortable in the hottest weather and is kept so by excellent arrangements in ventilation, which maintain a free circulation of air.

LOCAL MILITIA

Receives Orders for the Manoeuvres

Complete orders for the military manoeuvres have been issued. The principle manoeuvres will take place at Felt's Mills, New York, commonly called Pine Plains.

For the militia, the tour of duty will be divided into three periods. During the first period, from June 15 to June 25, there will be added to the other forces the Second, Sixth and Eighth Massachusetts regiments under the command of Gen. E. M. Clark, the Twenty-third New York infantry, 10 troops of New York cavalry, two batteries of the Third field artillery, and at least one and possibly two companies of engineers.

This tour of duty will include the three local companies of the Sixth regiment, C, G, and K. The men, it is understood, will go out only with their khaki uniforms, though with other full field equipment. The first three days will be devoted to light work preparatory to the manoeuvers in the field to complete the week's exercises. The trip to the camp ground will be made at night, it is expected, the men arriving in time to begin work promptly on the minute.

The total number of men on the field at this time will approximate 8000, a fact which is liable to prove a hard nut for the commissariat to crack. Owing to the new regulations, no regimental commissary officer may order supplies amounting in value to over $100 without making requisition for the same.

MILITARY NOTES.

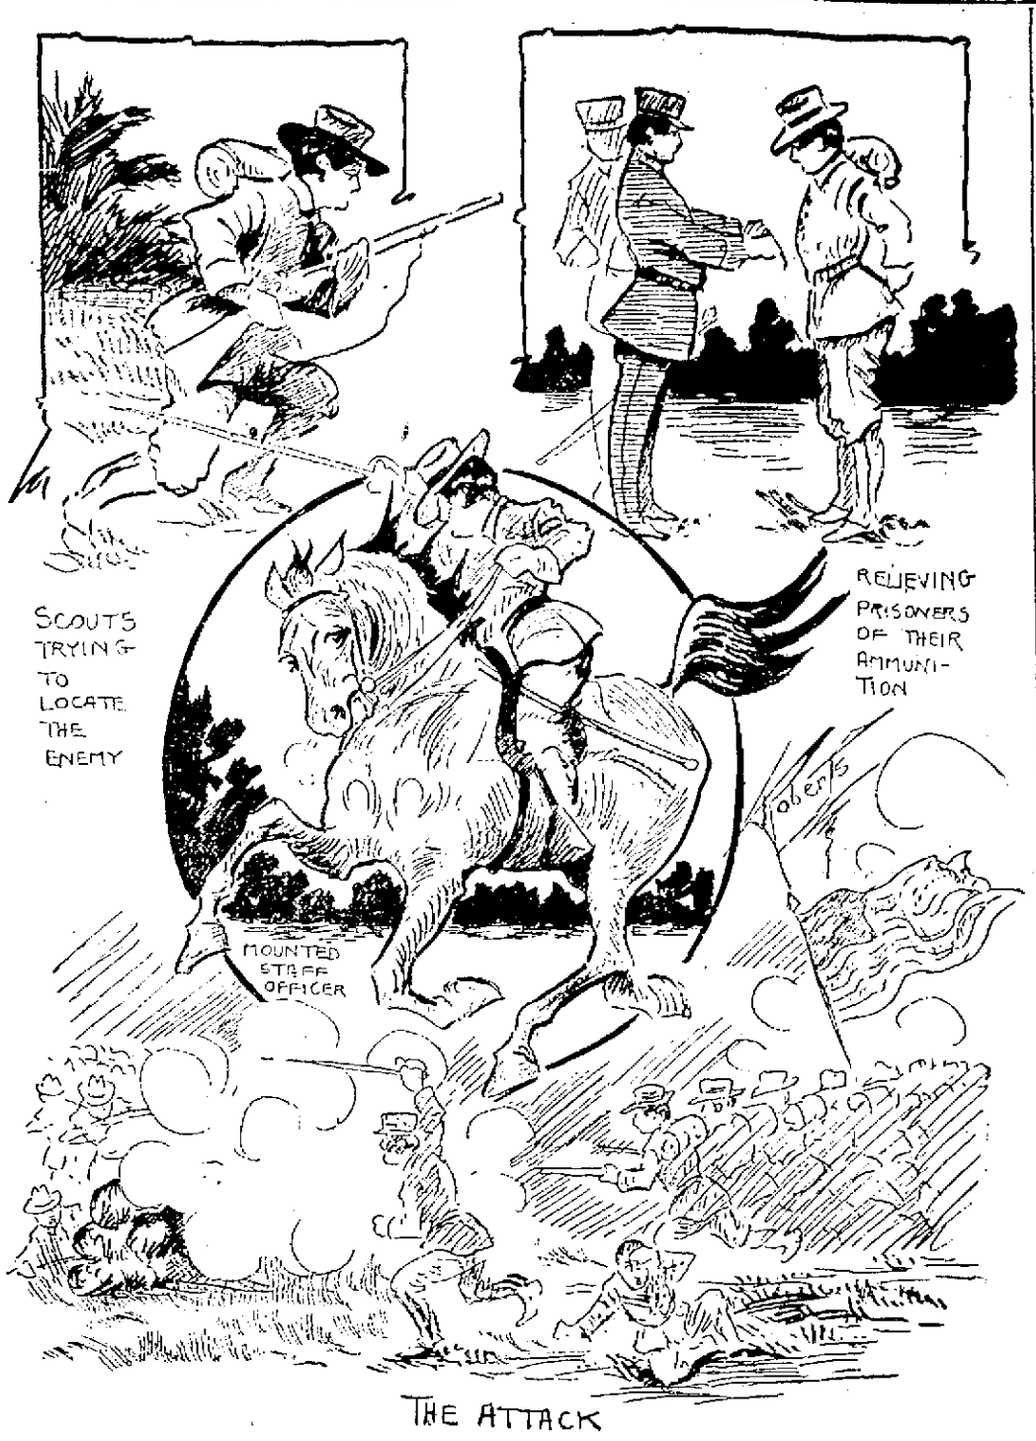

Company M has received the new Springfield rifles. They resemble the Mauser, though the bolt is similar in pattern to that on the Lee, used by the English. The gun is almost entirely encased in wood. The new guns will not be issued to the regiment going to New York until after camp.

THEATRE VOYONS

A good hearty laugh always goes a long way toward making a show enjoyable and in this respect the performances at the Theatre Voyons easily excel all other kinds of amusement. The laughs are always there, not dry-hard-to-find jokes nor old time-worn-out sayings, but bright, new comedies presented by moving pictures. The moving picture photographers are keen after new ideas in laughs and a few get by them whether they be in the funny papers or in stage productions. Anybody wanting the tonic of a little laughter should attend.

Mr. Pinault, the furnishing goods dealer at the corner store, Central block, will positively close out his big stock. The store will not be open later than June 1st, so go today, for bargains.

Tom N. Kershaw, pianist and leader of the orchestra at Hathaway's theatre, leaves this week for Bayonne, N. J., where he will lead an orchestra in a summer park for two weeks. After that he will go to Rochester, N. Y., to occupy a similar position during the remainder of the summer.

THE ATTACK

SKETCHES ON THE MIMIC BATTLEFIELD

MAN WAS DROWNED

While Bathing in the Merrimack River

James Patterson, aged 21 years and a resident of this city, was drowned while bathing in the Merrimack river yesterday afternoon. The accident happened at what is known as the "second swimming hole" and is located near the car barn in First street. Several of Patterson's companions tried to rescue him, but were unsuccessful.

The young man, who was partially blind, was bathing with Robert Prescott, Richard Bennett and Arthur Carbille. He was not a good swimmer and the other three young men were quite a distance from him when they saw him struggling in the water. Prescott swam as fast as possible towards Patterson and reached him in time to grab him by the arm. Patterson, like all other drowning men, in his frenzy grabbed Prescott about the neck and both went under the water. When they came to the surface again Prescott succeeded in releasing himself from Patterson's grasp and with a great deal of difficulty swam to the shore which he reached in an exhausted condition.

Undertaker James W. McKenna was notified and he and several other men have been searching for the body, but at the time of going to press it had not been recovered.

Patterson was born in Waltham and was in the care of the state authorities for some time. He had been trying for about a year to find his parents and his brother, but was not successful.

POLICE COURT

Lawrence Man Made Rounds of the Local Hotels

Several Women Offenders in the Dock Today—Man Who Plucked Flowers on Fort Hill Park Was Fined — Horace Parnelle Sent to State Farm

William Legendre, who claims a residence in Lawrence, came to Lowell yesterday and succeeded in making a tour of the hotels with the result that he got intoxicated and was arrested. Inasmuch as he was arrested on Sunday he was taxed the usual $5. He explained to the court that he had but $2.25 in his possession and made a plea to be allowed to go as he might lose his work. His plea failed, however, for the court refused to rescind the fine.

William Shayer, James H. Mack, August Johnson, John Christianson and Patrick Doulan, Sunday drunks, were fined $5 each.

SUSPENDED SENTENCE.

Lizzie A. Harris, a middle aged woman, neatly attired, pleaded guilty to a charge of drunkenness. It was her second offense and after the story in connection with her arrest had been told she considered herself very fortunate in being placed in the hands of the probation officer.

Early yesterday morning a woman who conducts a lodging house in Middlesex street reported to the police that the Harris woman was in a room occupied by one of her male boarders and that she refused to leave the place. Patrolman Clements paid a visit to the house in question and found the Harris woman in the room. Just as the door was being tried a man who was in the room jumped from a rear window and made his escape.

In court this morning she entered a plea of guilty and was sentenced to four months in jail, sentence suspended and she was placed in the hands of the probation officer.

HELD IN $500.

Arthur Marchand and Jennie Ratty, charged with adultery, pleaded guilty and were held under $500 bonds for the superior court.

Patrick L. Lynch, second offender, was fined $8.

NON-SUPPORT CASE.

James Walter Scott was charged with failing to provide for the support of his wife, Clara. Mrs. Scott testified that she resided in Pleasant street and a week or so ago her husband after drawing his pay left her. Scott was placed in the hands of the probation officer.

COST HIM $1.

John Yeck went up to Fort Hill park yesterday morning to inhale some of the fresh air that was free of charge and while strolling through one of the avenues he happened to espy a handsome lilac bush. The lilac looked very pretty and he could not resist the temptation to pluck a small flower. He no sooner had the flower in his buttonhole than he had been buttonholed by an officer and sent to the police station. In court he pleaded guilty and a fine of $1 was imposed.

SENT TO STATE FARM.

Horace Parnell, who rushed through Market street early Saturday morning in an almost nude condition, and who refused to appear in police court Saturday morning in a pair of overalls, was coaxed by five officers to appear before Judge Hadley this morning.

Parnell has been very sullen since his arrest and has told contradicting stories. He is considered a bad man and it was decided that if he was brought into the crowded courtroom he might cause a disturbance.

When all the other cases had been disposed of Parnell, accompanied by five officers, was escorted to a position in the dock. The air of bravado which he displayed and the sneering manner in which he took in the occupants of the court room showed that he did not really know whether or not it was worth while to cause a disturbance.

"Horace Parnell, you are charged in this complaint with being drunk, are you guilty or not guilty?" called Assistant Clerk Trull.

"Guilty of being drunk," snarled Parnell.

Deputy Welch then informed the court how Parnell had rushed into the station house early Saturday morning and told a story of having worked in the diamond mines in Kimberly, South Africa, and was robbed of $50 and his clothing by two unknown men near the Lowell Machine shop.

He was sentenced to the state farm at Bridgewater.

THE DRUNKS.

Thomas J. Sheehan, who was sentenced to three months in jail on a charge of drunkenness a week ago Saturday, appeared before Judge Hadley this morning and withdrew his appeal.

Alexander Miron, Charles W. and Timothy Ryan, second offenders were fined $6 each.

Four first offenders were fined $2 each and eight were released before the opening of the court.

HEAVY SENTENCE.

Mary A. Moran was arrested in a house in Butler avenue Saturday night and in court this morning pleaded guilty of being drunk. It was her third offense and despite the plea made by her husband she is liable to spend the next four months in jail. On a previous occasion when the woman was in court her husband testified that while he had been married to her for a number of years he had lived with her but a few weeks. This morning he said that he had a home for her in Lawrence and was willing to provide for her. The court imposed a sentence of four months in jail and told Mr. Moran that if he could bring a certificate showing that he had a home for her, the woman would be taken out of jail and placed on probation.

BOTTLE VENDERS

Were Not so Bold Yesterday as Before

The illegal sale of liquor by "hippers" yesterday was greatly lessened owing to the article which appeared in last Monday's issue of The Sun and the vigilance of the plain clothes men who were on the lookout for violators of the law.

Of course there were some illegal sales made, though Supt. Moffatt of the police department is of the opinion that the article which appeared in The Sun caused these "hippers" to keep off Middlesex street yesterday.

But 180 feet from the corner of Tenth and Methuen streets, but 105 feet from the corner of Tenth and Myrtle streets, but two minutes' walk to the Christian Hill line of street cars at Beech street, and but four minutes' walk to the cars at Bridge street. For the purposes of this sale the estate has been surveyed and divided into two lots: The residence and lot with a frontage of 68½ feet, and a vacant lot adjoining with a frontage of 77 feet. The area with each lot is large because of the depth of the land, yet it was deemed best not to make further sub-division. Large or small, the lots must be sold to the highest bona fide bidders.

The location of the property for resident or home purposes or for subdivision for building improvements, in many respects is as desirable as any location in Centralville. It is a sightly spot, up from the street, facing a street, a few feet from the corners of Methuen and Tenth and Myrtle and Tenth streets; street cars within two minutes on one side and four minutes on the other side and all within 11 minutes' comfortable walk of Merrimack square. It is not a common thing to have offered so elevated, sightly, well laid out, attractive and extensive area with every municipal convenience so easy of access and so close to the business center. Added to the aforementioned conveniences, the mature shade and abundant fruit trees, vines and bushes, shrubberies, etc., etc., all about it, and its level surface tend to substantial residential property, or for a number of homes, or for a cottage settlement, or for renting properties; yes, for any purpose for which real estate can be profitably used, except business purposes.

Twelve square rooms, also halls and perfect cellar. Four corner rooms. Two fireplaces on first floor and two on second floor. Comfort was not sacrificed to outside appearance. Not an unpleasant room in the house, the windows have shades, there are outside windows, a piazza on two sides, slated roof, splendid well and large cistern. The building will please, and not disappoint, upon a thorough examination of it as to its present condition and possibilities. STABLE, 22½ feet square, with an ell 12 feet square. Small lattice work summer house in yard. THE LAND has an area of a little less than 15,000 square feet, a frontage of 68½ feet on Tenth street and a depth of about 220 feet, or extending back to the rear of Eleventh street lots. There are 20 fruit trees, all thrifty but of different age. The purchaser of this lot must deposit with or secure to the auctioneers $400 immediately it is struck off. Lot One, with slight exception, is an ideal home just as it exists today. It has taken years to mature the natural development here.

LOT TWO 15,000 square feet of land adjoining Lot One, with a frontage of 77 feet on Tenth street and a depth of about 214 feet, and, like Lot One, extends back to the rear of Eleventh street lots. It has eight fruit trees, several grape vines and fruit bushes, is level, faces Varnum street, awaits improvements, because of its location, and this is particularly true because of its environment, affords ample room for four cottages or two two-family houses, leaving good and sufficient land for yards, gardens and a street. The character of the neighborhood is such that this suggestion, if carried out, should prove successful and profitable. The purchaser of the lot must deposit with or secure to the auctioneers $250 immediately it is struck off.

A sketch has been made of the premises belonging to the estate, showing a street in from Tenth street with two large corner lots on Tenth street and four desirable lots facing the proposed street. A study of the premises, though, will reveal a much better plan of sub-division, should the purchasers of it wish to use it for improvements.

Of the purchase money for Lot One, two-thirds (possibly more) can remain upon mortgage; for Lot Two, one-half (possibly more) can remain upon mortgage. The house will be open for inspection after 10 a. m. the day of the sale, or before, upon application at the office of the auctioneers, where all inquiries must be made. The sale will take place upon the premises regardless of any condition of the weather, tomorrow afternoon, the 26th day of May, 1908, beginning promptly at five o'clock in the afternoon.
